Still lots of traffic going up/down Mt. Murphy Road as I type. Received this message a few minutes ago from a neighbor:

Hi melody, looks like the fire planes are knocking down the fire. Appears to be across the street from the steel plant.

On Saturday around 11:15 forty trucks & SUVs caravanned in a procession down Mt. Murphy Road. If anyone had to get through traffic they would have been out of luck with no place to pull over or turn around. Anyone know what was going on?

Melody
