
Capital Improvement Program Project Updates

**Presentation to the
Parks and Recreation Commission**

August 21, 2025

**El Dorado County
Department of Transportation**

Presentation Purpose

- Inform the Commission of the upcoming parks projects within DOT's Capital Improvement Program
- Answer any questions from Commission and the public
- Receive comments or feedback from the Commission moving forward with project design

Presentation Outline

1. El Dorado Trail Pedestrian Overcrossing
2. Diamond Springs Parkway Phase 1B
3. El Dorado Trail Extension - Shingle Springs
4. El Dorado Trail Extension - Halcon to Ponderado
5. Henningsen / Lotus Road Class I Trail

El Dorado Trail Pedestrian Overcrossing

- Completed May 2025
- Final construction cost \$6.2M
- Completed on-schedule and within budget
- Received 2025 APWA Project of the Year Award (Structures Category) & 2024 ASCE Outstanding Bikeways and Trails Project Award

El Dorado Trail Pedestrian Overcrossing

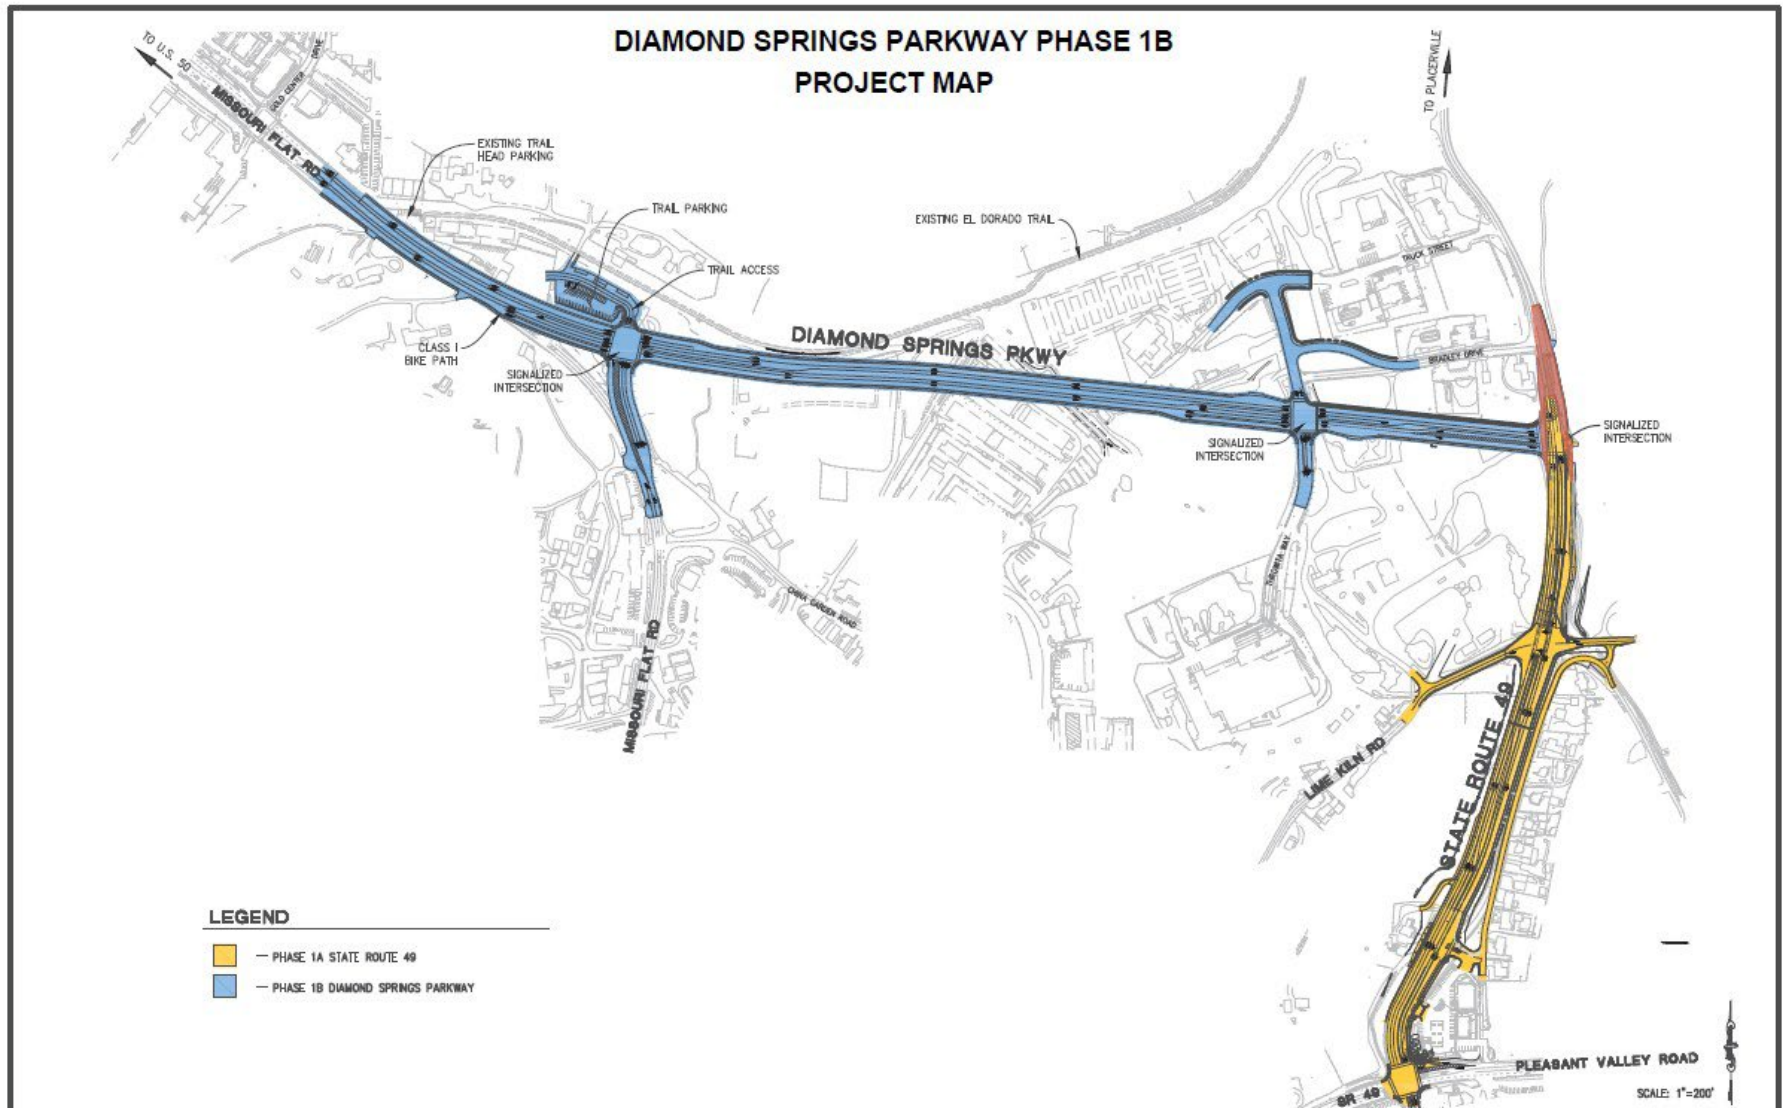

El Dorado Trail Pedestrian Overcrossing

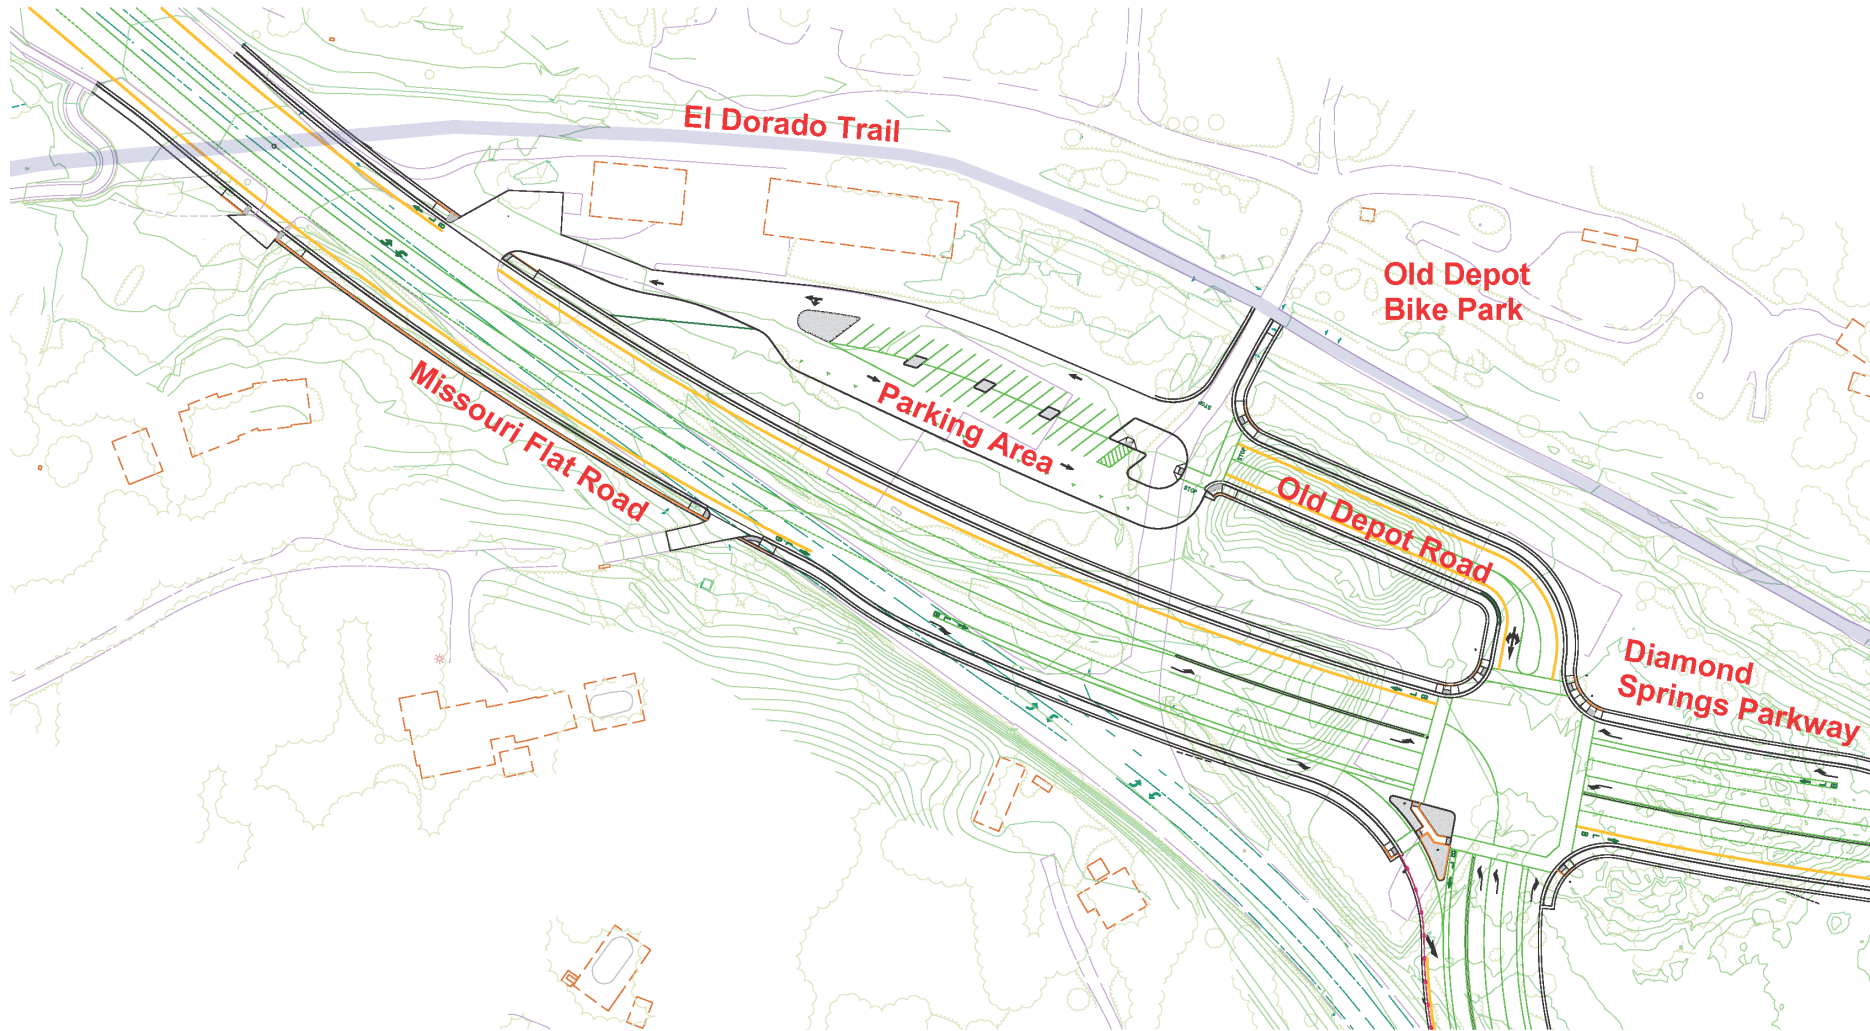

Diamond Springs Parkway Phase 1B

- Construction started July 2025
- Parking lot for El Dorado Trail use, will replace existing small lot when Diamond Springs Parkway is built
- Parking lot will include approximately 45 spaces including oversized for trailer parking
- Lighting is included
- Construction is scheduled for completion end of 2026
- Will provide Multi-Modal connectivity to community to the El Dorado Trail and Old Depot Bike Park

Diamond Springs Parkway Phase 1B

Diamond Springs Parkway Phase 1B

El Dorado Trail Extension - Shingle Springs

- Construct a Class I path on El Dorado Trail from Shingle Springs Drive to South Shingle Road
- \$1.4 million CMAQ grant for design and RW awarded in 2022
- Total project cost estimate = \$6.7 million
- Potential 2-phase construction due to funding limitations
- Phase 1: Shingle Springs Drive to Mother Lode Drive
- Phase 2: Mother Lode Drive to South Shingle Drive
- Environmental studies currently in progress

El Dorado Trail Extension - Shingle Springs

U.S. HIGHWAY 50

MAJOR ROADWAY

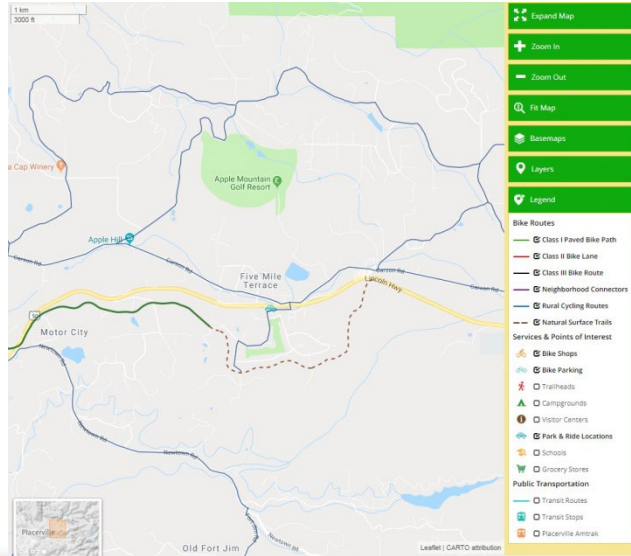

El Dorado Trail Extension - Shingle Springs

Typical at-grade rail crossing

El Dorado Trail Extension - Halcon to Ponderado

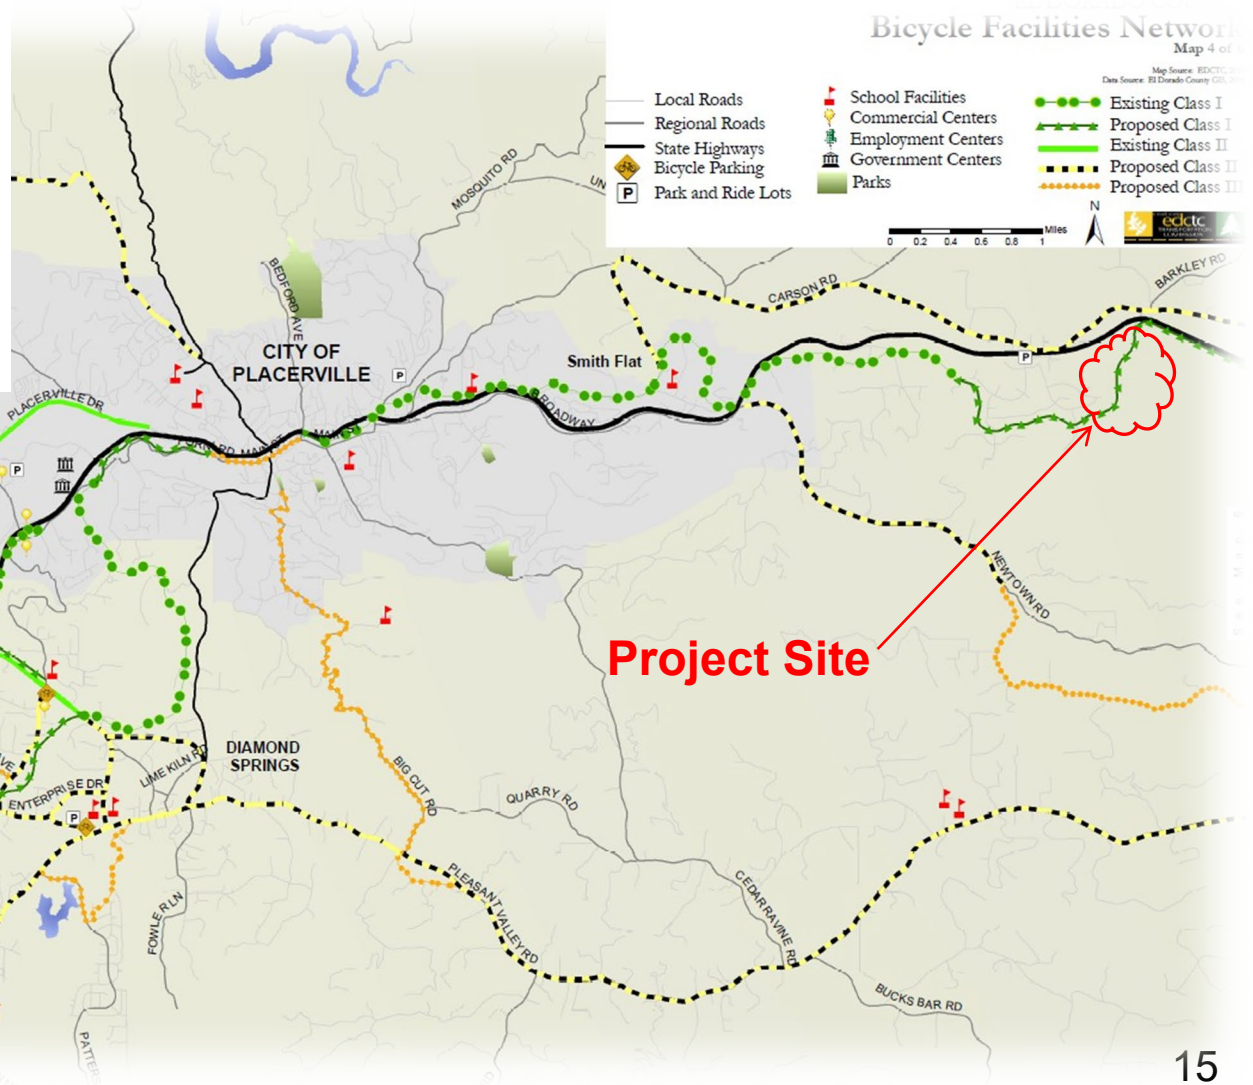

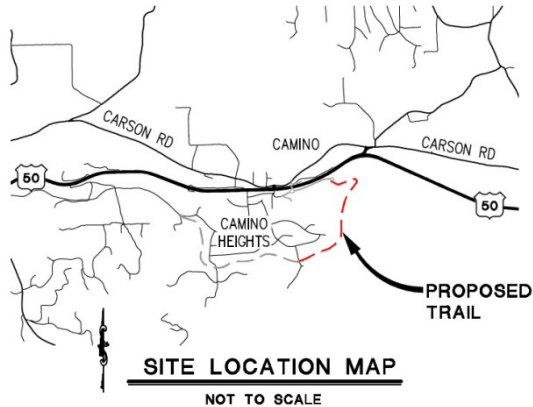

El Dorado Trail Extension - Halcon to Pondorado

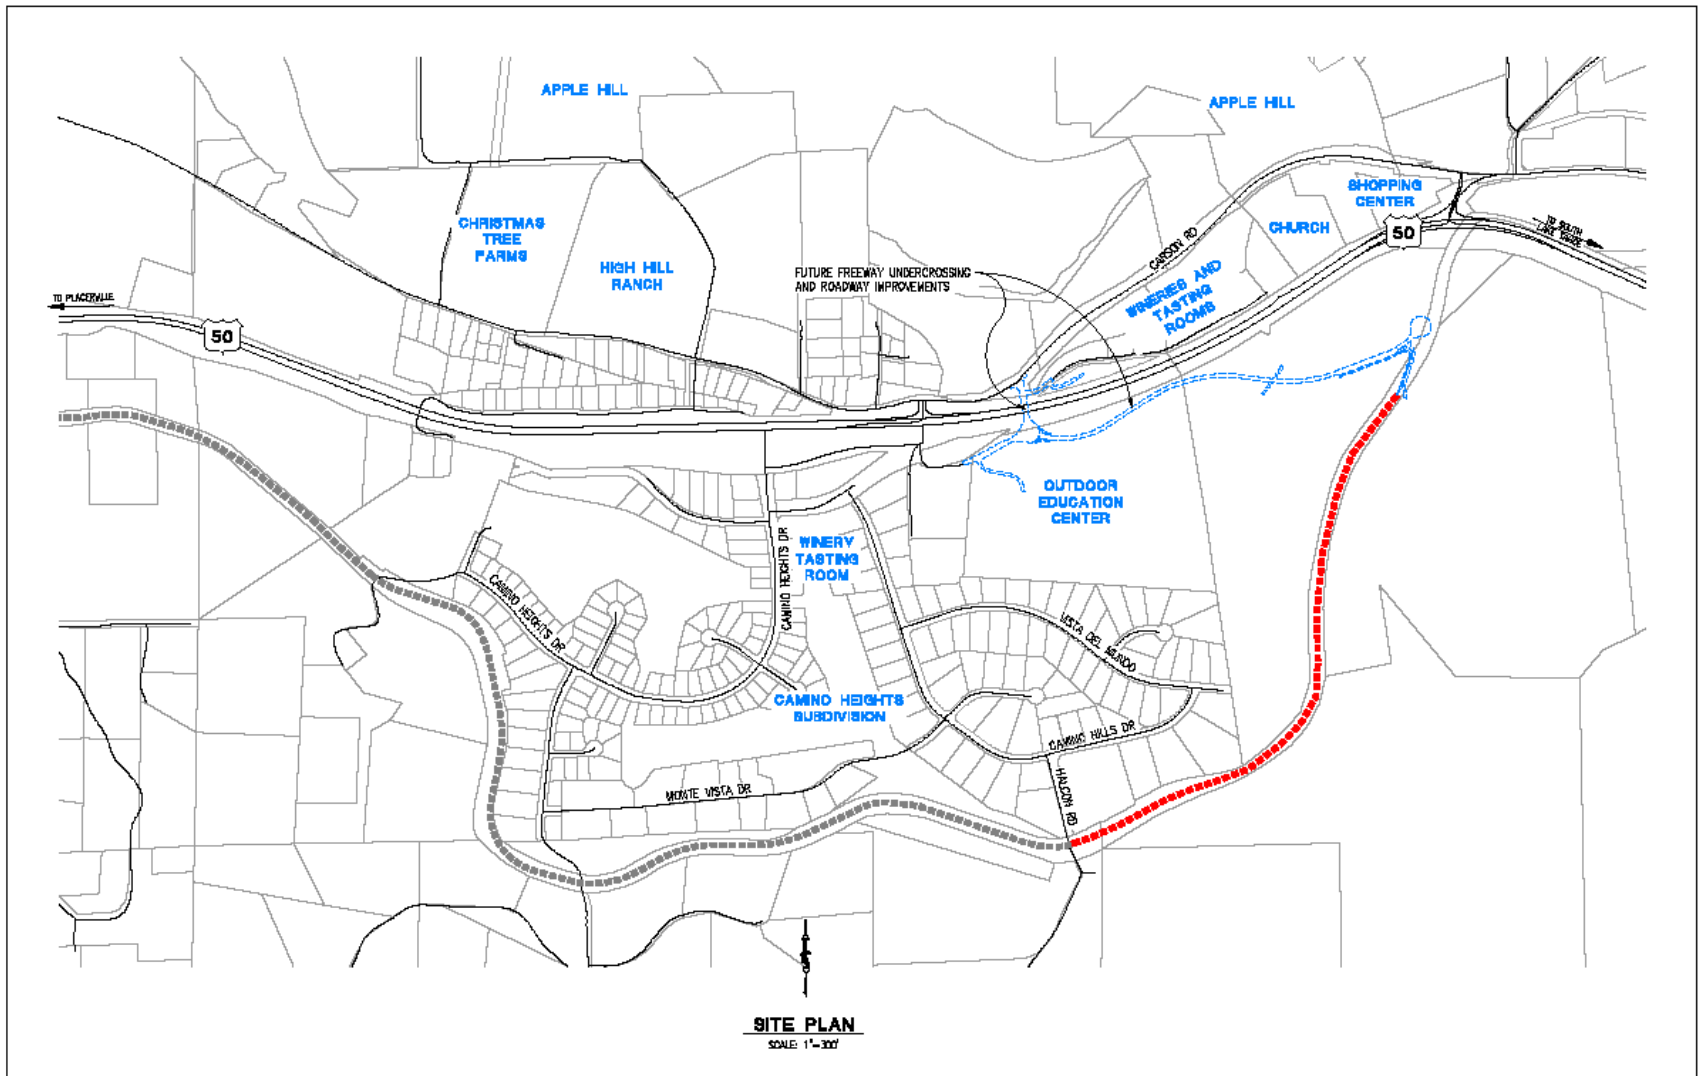

PROJECT OVERVIEW:

- Extends Class I Trail from Halcon Road (in Camino) to Pondorado Road Extension Project
- Provides future connection to cross Hwy 50
- Improve fire and property access along upper (north) area of trail

El Dorado Trail Extension - Halcon to Pondorado

El Dorado Trail Extension - Halcon to Ponderado

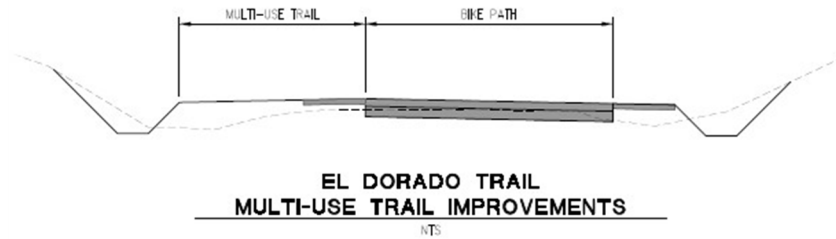

PRELIMINARY

El Dorado Trail Extension - Halcon to Pondorado

PROJECT HIGHLIGHTS:

- Over 4,000 LF of Class I Trail
- Constructed in El Dorado Trail Corridor
- Drainage Improvements
- Potential for additional Trail Parking Area (Pondorado Road Extension)
- Improved Trail Connectivity
- Improved fire and neighboring access

El Dorado Trail Extension - Halcon to Pondorado

El Dorado Trail Extension - Halcon to Pondorado

PROJECT LOOK AHEAD:

- Awarded CMAQ Grant (PE & ROW)
- Environmental Complete
- Construction - TBD
- County also evaluating and pursuing other funding sources

Henningesen / Lotus Road Class I Trail

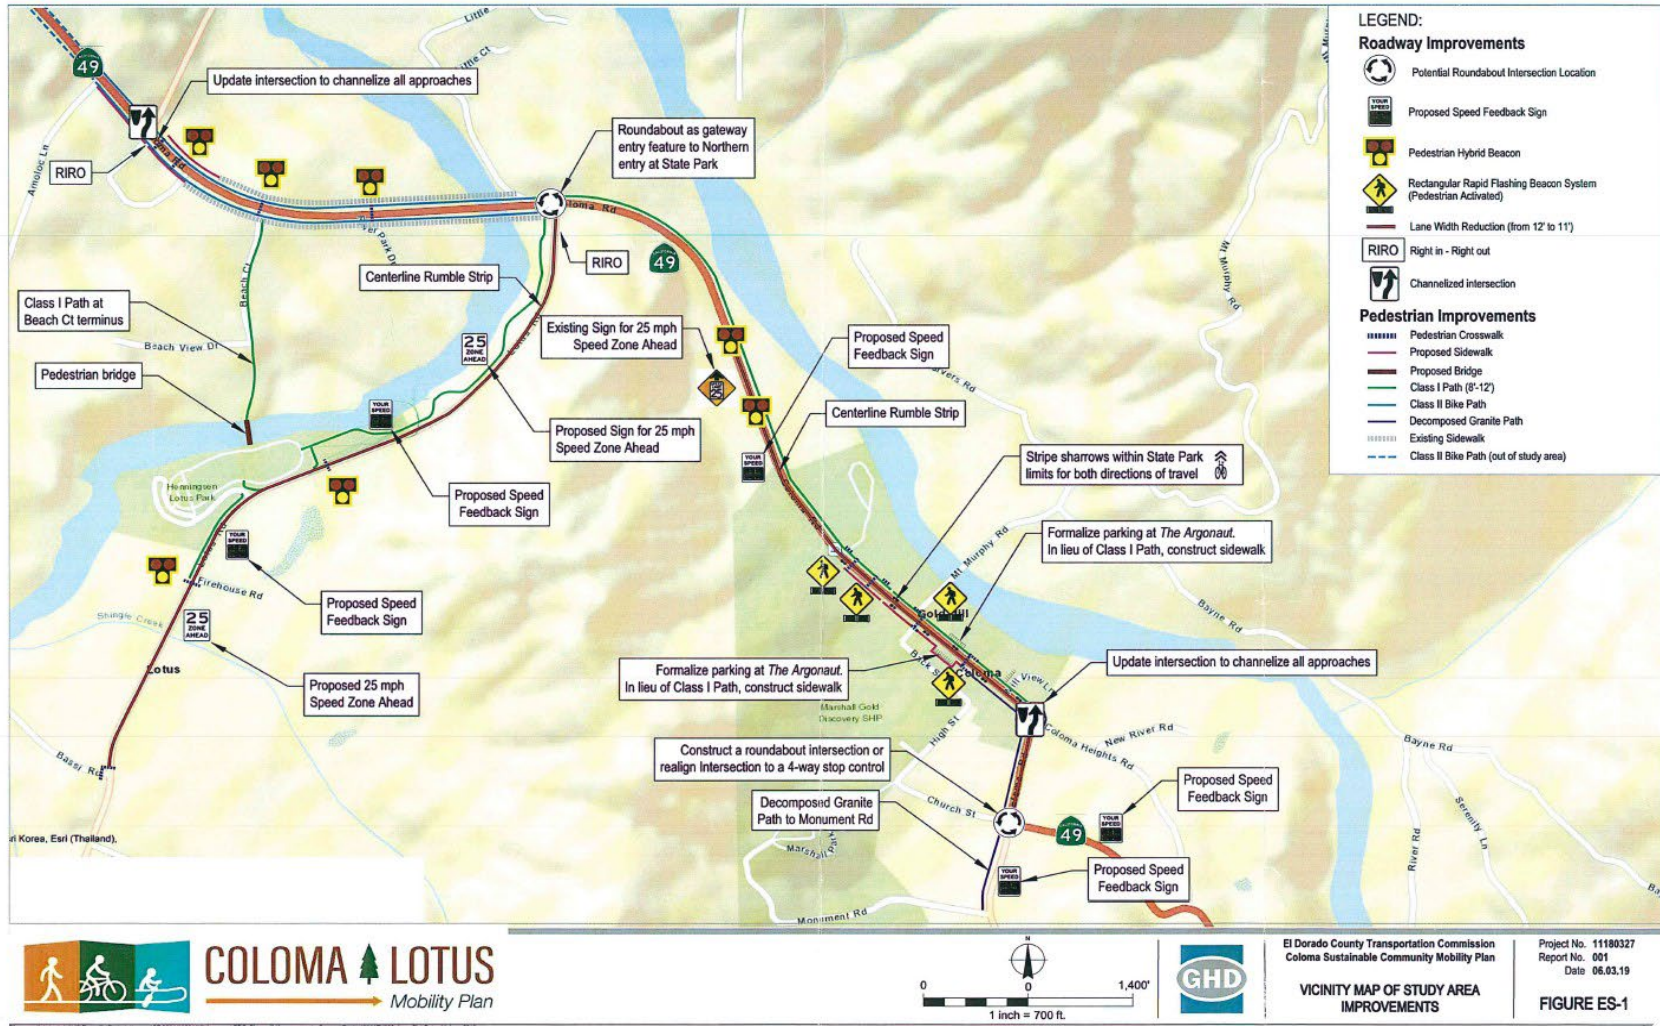

Henningesen / Lotus Road Class I Trail

PROJECT HIGHLIGHTS

- Construct approximately 2,300 feet of Class I trail improvements from Henningesen Lotus Park to State Route 49 along Lotus Road that ties into nature trails, park, sidewalks, accommodates bicycles & pedestrians (minimizes impacts)
- Includes approximately 1,000 feet of elevated boardwalk
- CMAQ grant for PE and RW
- Environmental clearance complete
- All improvements within County RW
- Potential for future Class I trail extensions

Henningesen / Lotus Road Class I Trail
