

Affordable Care Act

Coverage of County employees

- Extra Help – Non-benefited
- Affordable Health Care Act threshold - Employees working 30 hours per week
- Possible implications for cost of employee share of coverage

Medi-Cal Expansion

- Simplification of current Medi-Cal regulations
- Administration has stated its commitment to expanding Medi-Cal to 138% of federal poverty level for adults
- Implications for County Medical Services Program (CMSP)

Covered California

- Three state call centers
- Thirty second Hand-off to counties for Medi-Cal eligible
- Regional call centers for counties

Cost shifts on Expansion

- ⦿ State based expansion vs. county based expansion
