On July 8, 2020, Planning staff presented the Title 130 Zoning Ordinance Major Amendments (OR17-0002) project to the Planning Commission (Item 3, Legislar File 20-0829). The Planning Commission hearing discussion focused on the proposed new Drive-Through Facilities zoning regulations, and amendments to the Public Notice Requirements and Procedures. Two El Dorado County residents spoke during the public comment period. One speaker requested cannabis setback consistency with the winery section of the Zoning Ordinance, and the other speaker asked for clarification on the proposed project as to why certain rezoning components were removed from the project. Following closure of deliberation and public comments, Commissioner Williams made a motion, with a second by Commissioner Miller. The Planning Commission motion (5-0 vote) approved staff's recommended actions with additional recommendations provided by the Planning Commission for the Board's consideration. The full recommendation from the Planning Commission is summarized in the Planning Commission meeting minutes from July 9, 2020 (Legislar File 20-1037).

All persons interested are invited to write their comments to the Board of Supervisors in advance of the hearing. In light of COVID-19, all persons are encouraged to observe and participate in the hearing remotely, and in-person attendance may be restricted depending on the current COVID-19 recommendations as the hearing date approaches.
