Title: Update of County Maintained Mileage System

Meeting Date: September 12, 2006

District/Supervisor: All

Dear Members of the Board:

Recommendations:

The Department of Transportation recommends that the Board adopt the attached Resolution updating the County's Maintained Mileage System.

Reasons for Recommendations:

An update of the Department of Transportation's County Maintained Mileage System is submitted to the State of California each year, pursuant to the Streets and Highways Code, Section 941. This year's update contains some minor corrections and lists those new roads that have been accepted as a part of the completed subdivisions.

Fiscal Impact:

There will be no current fiscal impact to the County. However, future road maintenance cost will affect the Department's budget.

Action to be Taken Following Approval:

- 1) Update the El Dorado County Maintained Mileage System.
- 2) Submit Resolution to Caltrans for Mileage Certification and Map Revisions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard W. Shepard', written in a cursive style.
