- B. Contractor agree that the State, the Comptroller General of the United States, and any authorized representatives have the right to review, obtain, and copy all records pertaining to the performance of this Agreement.  - i) Title 45, CFR Sections 96.30 through 96.33 and Sections 96.120 through 96.137, if applicable.
 - j) Title 9, CCR (herein referred to as Title 9), Division 4, commencing with Section 9000.
- 2) The provisions herein are not intended to abrogate any provisions of law or regulation, or any standards existing or enacted during the term of this Agreement.
- 3) This Agreement is subject to any additional restrictions, limitations or conditions enacted by federal or state government that affect the provisions, terms, or funding of this Agreement in any manner.
- 4) Contract Administrator, any authorized representative of County, any authorized representative of the State of California, the Secretary of the United States Department of Health and Human Services, the Comptroller General of the United States, or any of their authorized representatives shall have access to any books, documents, and records,

including but not limited to, medical and client records of Contractor which such persons deem pertinent to this Agreement, for the purpose of conducting and audit, evaluation, or examination, or making transcripts during the periods of retention set forth in this Agreement. Such persons may at all reasonable times, inspect or otherwise evaluate the services provided pursuant to this Agreement, and the premises in which they are provided or administered.

Such records shall clearly reflect the cost and scope of the services provided to each client.
- 8) Contractor's facility, office (or such parts thereof as may be engaged in the performance of this Agreement) and its records shall be subject at all reasonable time to inspection and audit reproduction by County.
- 9) Within fourteen (14) days after final audit is approved by Contractor's Board of Director, Contractor shall forward to Contract Administrator a copy of any audit report. Such audit shall include, but not be limited to, management, financial, programmatic or any other type of audit of Contractor's operations, whether or not the cost of such operation or audit is reimbursed in whole or in part through this Agreement.
- 10) Following any audit report, in the event of non-compliance with applicable laws and regulations governing funds provided through this Agreement or serious deficiencies in Contractor's internal control structure, County may terminate this Agreement as provided for here in or direct Contractor to immediately implement appropriate corrective action. A plan of corrective action shall be submitted to Administrator in writing within fifteen (15) days after receiving notice from County.
- 11) Contractor shall have two (2) months to implement a corrective action plan and to submit to County a written report of corrective action taken. Failure to implement said corrective action plan shall be cause for termination of this Agreement.
- 12) County shall respond to all audits of Contractor with reconciliation to County records. If County concurs with State findings, final payment of Contractor's assessed disallowances shall be subject to provisions of the Article titled "Cost Report" of this Agreement.
- 13) All Contractor's funding records related to this Agreement shall be subject to audit by County at any time during the term of this Agreement, and for a period that extends through any required records retention period, should it be requested by County's Auditor-Controller. In the event that Contractor has more than one funding agreement with County, Contractor shall maintain an individual schedule of expenses for each

County agreement, such that can be reconciled to an audit of any individual agreement. If Contractor receives in excess of \$500,000 in total funding from County in any one fiscal year, Contractor must have an independent/individual audit of each County agreement.

- 14) Contractor shall include in any contract with an audit firm, a clause to permit access by the State to the working papers of the external independent auditor, and require that copies of the working papers shall be made available for the State at its request.

Site Inspection: The County and State, through any authorized representatives, has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder including subcontract supported activities and the premises in which it is being performed.
