Why do you seek appointment?

As a resident of El Dorado County since 1997 I have always had a strong interest developing community support for our residents. As a physical therapist I was able to help out from a clinical perspective and as a varsity basketball coach for our first 15 years in Tahoe I realized the need to do more. In my current role at Barton I have had the opportunity to collaborate with our community partners to address these needs in a larger scope and am now aware of how much work we still need to do.
