Supervisor Ranalli, et al:

I'm offended by your arrogance, political posturing and Bureaucratic Shenanigans. Don't forget who you work for...

READ THE VALUES THAT WERE ON THE BOS MONITORS THIS MORNING!!! Does that mean anything at all to you???

Per the Brown Act Rights of the Public, it is my right to request that Item #2 be PULLED FROM CONSENT and that you ensure the entirety of this thread, with attachments, are PUBLICLY posted to the July 26th Planning Commission agenda for OPEN, TRANSPARENT DISCUSSION and DIALOG.

You, Mr. Ranalli, are my ELECTED District #4 Supervisor. County Counsel, CAO Don Ashton, Roger Trout—or anybody else on the totem pole that you pass the buck to—NONE of them have delegated authority to act outside of the law or as your mouthpiece. You were elected to be RESPONSIBLE and ACCOUNTABLE to constituents, and you are not above the law. Ditto for every person on this distribution.

Presumably either you or Counsel gave Don the directive to pass the buck to Roger. In any event, Roger failed to appropriately answer any of the questions addressed to you, just more of the same old smoke and mirrors. What Roger's email does point to is USGC Title 18 Section 241 – Conspiracy Against Rights, and Section 242 – Deprivation of Rights Under Color of Law.

It appears that County Counsel prepared Roger's remarks prior to any of you reading the **SIX (6) DUPLICATE EMAILS sent by Serena Carter** regarding this Planning Commission item. Just because Don *inappropriately* directed Roger to respond to the email I addressed specifically TO YOU, that doesn't get you off the hook. **If Vern Pierson is aware of your BS (which he is), then he's complicit and equally liable.**

As I stated this morning during Open Forum, the evidence is building up on several fronts that El Dorado County is emerging as the leader in CA corruption. (See attached) El Dorado County, California and America will never become 'great again' as long as citizens permit their elected officials to **unlawfully maintain the status quo.**

You have continued to deprive me of rights and for violating your Constitutional Oaths of Office as addressed in the Affidavit/Declaration of Truth received by you on **August 10, 2017**. Anything done without constitutional authority and anything done in violation of due process of law is invalid, unlawful and has no force and effect upon the American Citizen. Your failure to respond, as stipulated, was your agreement with and irrevocable admission to the fact that everything in that Affidavit is true, correct, legal, lawful, fully **binding** upon you, Michael Ranalli, as District #4 Supervisor, in any court of law in America, without your protest, objection or that of those who represent you. **Shiva Frentzen, Don Ashton, Roger Trout, Bill Schultz, Al Hamilton, and Gary Miller** have received similar Affidavits/Declarations which are now a matter of public record.

You still have the opportunity to turn a new leaf by choosing do the right thing prior to November elections. I suggest you choose wisely.

Mrs. Lane,

Pursuant to Mr. Ashton's request, I am providing these short answers to your questions. I think they cover what you were looking for, but feel free to contact me for more detail:

1. PLEASE EXPLAIN WHY NOAH TRIPLETT IS CC'D ON THIS, AND WHO GAVE THE DIRECTIVE TO INCLUDE NOAH ON THIS DISTRIBUTION???

Noah Triplett is the staff member that submitted the documents for Agenda Item #2 on Planning Commission Agenda for July 26, 2018. It is the Planning Commission Clerk's standard procedure to provide public comments received on an agenda item to the staff member(s) involved with the item.

2. WHAT IS DEBRA ERCOLINI'S ROLE/TITLE?

Debra Ercolini is a Development Aide II in the Planning and Building Department and provides administrative assistance with public hearings, including Zoning Administrator and Planning Commission. Her Supervisor is Char Tim. Char Tim's supervisor is Roger Trout.

3. WHAT IS SERENA CARTER'S ROLE/TITLE?

Serena Carter is an Administrative Secretary in the Planning and Building Department and provides administrative assistance with public hearings, including Zoning Administrator and Planning Commission. Her Supervisor is Char Tim. Char Tim's supervisor is Roger Trout.

4. WHAT EXACTLY IS THE "STANDARD PROCEDURE" FOR POSTING?

Public Comments received via regular mail, email, or physically submitted to planning are scanned (if needed) are bundled together by the date received, then are posted within Legistar for the particular item the next business day. Email notification is automatically sent to subscribers of the Planning Commission webpage and also to the Planning Commissioners notifying them of the additional documents that were posted.

5. WHY WAS THIS THREAD NOT POSTED IN ITS ENTIRETY OR PULLED FROM CONSENT FOR PUBLIC DISCUSSION AS REQUESTED???

The email thread in question was sent on July 16, 2018 at 6:50a.m. and, following standard procedures, was posted online the next business day, July 17, 2018, in a document titled "Public Comments Received 07-16-18" for Agenda Item #2.

Agenda items on the Consent Calendar can be pulled for discussion at the hearing by the Planning Commissioners. As the Planning Commission Secretary, I (Roger Trout) set the agenda for the Commission, but once the agenda is posted, I defer to the Commission on pulling items from consent.

Thank you,

Supervisor Ranalli, et al:

PLEASE ENSURE THE ENTIRETY OF THIS CORRESPONDENCE IS POSTED TO THE 7/26/18 PLANNING COMMISSION AGENDA ITEM #2, ALONG WITH THE REQUEST TO REMOVE IT FROM CONSENT FOR PUBLIC DISCUSSION:

I certainly do have a few questions of Supervisor Ranalli. **It is his responsibility to respond to each of the following issues, *in writing, prior to the 7/26 PC meeting:***

- 1) Why did it take 2 emails appriizing more than two dozen government representatives, PLUS a phone call to Brenda Bailey, before my 7/5/18 comments were finally publicly posted to the 7/26 Planning Commission agenda?
- 2) Mike Ranalli is my elected District #4 Supervisor. When I spoke with Brenda on 7/12 I asked for a written explanation from your office about the delay in posting these public comments to the 7/26 PC Consent agenda item #2. The appearance is that there is a hidden agenda and lack of government transparency and accountability. Why have your written explanations to inquiries not been forthcoming?
- 3) For what reason(s) was the 7/9/18 RMAC meeting suddenly cancelled at the eleventh hour on 7/9/18?
- 4) The BOS has been apprised that Nate Rangel publicly admitted his role in getting his cohort, Adam Anderson, appointed by the BOS as the RMAC Business Representative. Rangel also twice publicly announced in 2017 that Anderson had resigned from RMAC. Furthermore, Anderson publicly admitted, in his own words, to "legal manipulations" in order to remain as the RMAC Business Rep. Under whose authority were those "legal manipulations" conducted?
- 5) Rangel & Anderson have regularly conducted chaotic serial RMAC meetings, **many of which are held in the Marshall Gold Discovery Park**. Serial meetings are strictly prohibited by the Brown Act. RMAC—as well as government staff—have continued to **censor public input, falsified documents, threatened river residents, and blatantly lied** to the Parks & Rec and Planning Commissions. For decades RMAC has demonstrated they are out of control. So why are the BOS ignoring the FACTS, thereby aiding and abetting unlawful serial RMAC meetings, and encouraging the Planning Commission to rubber-stamp Consent item #2?
- 6) The CAO announced in a memo dated 5/9/17 that RMAC would likely be disbanding by the end of 2017 (see attached), yet the RMAC is still intact and operating "ultra vires" (outside of the law) as publicly reported in the Mountain Democrat by Larry Weitzman: <http://www.mtdemocrat.com/opinion/the-balancing-act-disbanding-river-management-advisory-committee/> WHY is the BOS permitting RMAC to perpetually operate outside of the law???
- 7) For what reason were Vickie Sanders, Serena Carter and Noah Triplett cc'd on Char's email?
- 8) EDC professes "The Gold Standard in Public Service." So please explain, in detail, why you've deviated from "good governance" policies and failed to be responsive to constituent concerns and CPRAs concerning RMAC?

Pursuant to your Oaths of Office, your response is due prior to the 7/26/18 Planning Commission meeting.

Please post these public comments to the July 9th RMAC agenda and to the July 26th Planning Commission agenda. Note the objections to the illegitimacy of these agenda items for the following reasons:

- RMAC fails to be transparent or accountable. It is a matter of public record that Nate Rangel has referred to RMAC on several occasions as "his" committee. It is a fact that Mr. Rangel also has a penchant for holding serial RMAC meetings in the **Marshall Gold Discovery Park**, Camp Lotus and at American River Conservancy. **Serial meetings are strictly prohibited by the Brown Act.**

- It is also a matter of public record that RMAC continues to operate outside of the law and entirely for their own special interests. River residents have **never been properly represented by RMAC** in the 20 years I've lived in Coloma. RMAC has a sordid reputation for retaliating ~~sometimes violently~~ against residents who object to their conflicts of interest and multiple violations of the River Management Plan (RMP). For this reason RMP has been historically referred to as "River Mafia Politics."

- Nate Rangel is also notoriously known for lying and falsifying public records under the direction of EDC staff. This is routinely done with the full knowledge & consent of Parks & Planning Commissioners...and with the apparent blessing of the BOS.

- Per Brenda Bailey, the June RMAC meeting was **cancelled** due to 'no new business to discuss.' Coincidentally the July 9th RMAC agenda has only ONE item on the agenda:

File created: 7/2/2018 In control: River Management Advisory Committee (RMAC)

On agenda: 7/9/2018 Final action:

Title: Chief Administrative Office, Parks Division, recommending the Committee recommend to the Planning Commission approval of the transfer of River Use Permit #01 & #50 with 203 weekend and 225 weekday user days from Nathan Rangel, president of Adventure Connection, Inc. to Tributary Whitewater Tours, LLC dba RaftCalifornia.com which holds River Use Permit #11 with 69 weekend and 66 weekday user days. Jeremiah Copper, managing member of Tributary Whitewater Tours, LLC. requests that River Use Permits #01 & #50 be retained as component permits in addition to River Use Permit #11.

- The July 12th Planning Commission meeting was **cancelled**. Rather coincidentally the July 26th Planning Commission meeting has only ONE item on the entire agenda, but it is under Consent. It is apparent the outcome has already been determined BEFORE the scheduled July 9th RMAC meeting:

Agenda Item Status: Consent Calendar

File created: 6/19/2018 In control: Planning Commission

On agenda: 7/26/2018 Final action:

Title: Chief Administrative Office, Parks Division-River Program, submitting request to consider the transfer of River Use Permits #01 and #50 from Adventure Connections, Inc. to Tributary Whitewater Tours, LLC dba RaftCalifornia.com, which holds River Use Permit #11; and staff recommending the Planning Commission take the following actions: 1) Approve the transfer of River Use Permits #01 and #50 to Tributary Whitewater Tours, LLC dba RaftCalifornia.com and retain River Use Permits #01 and #50 as secondary (component) permits in addition to River Use Permit #11.

The approval and consent of the above agenda items demonstrates the total lack of EDC "good governance" and is against all public policy.

"There is a *liberty of corrupt nature*, which is affected both by men and beasts, to do what they list; and this liberty is inconsistent with authority, impatient of all restraint; by this liberty we are all inferior; *'tis the grand enemy of truth and peace, and all the ordinances of God are bent against it*. But there is a civil, a moral, a federal liberty, which is the proper end and object of authority; it is a liberty for that only which is just and good; for this liberty you are to stand with the hazard of your very lives." ~ Cotton Mather - 1820 ~

 **7-17-18 OF CPRAs CC Ultra Vires.docx**

 **Brown Act Rights of the Public.docx**

Regarding EDC's lack of compliance with CPRAs, you've been apprised that we've gone round and round this merry go round before in meetings with Robyn Drivon, Paula Franz, Kim Kerr, Pam Knorr, Don Ashton, Roger Trout, Jim Mitrisin, and Mike Ranalli. It was I who provided them with the **Guide to CA Public Records Act Requests**.

It is apparent that I'm more knowledgeable about CPRA laws than County Counsel. I did not ask to *view* any records, nor is there any lawful requirement that I access them via the dysfunctional government system. ***Everyone knows the Sheriff has ordered IT to blacklist me, making certain individuals and information inaccessible.*** Therefore I requested they be **emailed to me in a readable, condensed format** as they have been in the past. It is perfectly acceptable, consistent with Government Code, much more time efficient and cost effective for everyone.

The county has complied with these requests before, but it is evident Counsel chooses not to. Apparently they didn't teach you too much in law school, so here's a little basic refresher course:

My taxes pay your salary, therefore you work for me. Ditto for the BOS, Don Ashton and the COB to whom the CPRAs are addressed. **County Counsel is not the authorized spokesperson for any government official outside of a courtroom.**

Regarding Mr. Runkle's comment about not being obligated to respond to questions or provide specific public documents, that's BALONEY. It is inconsistent with Government Code, is unethical, against all public policy, and lacks transparency or accountability.

EDC advertises "***The Gold Standard in Public Service.***" Unnecessarily charging Citizens for records that can be delivered electronically is called Unjust Enrichment. Deliberately falsifying or withholding public information is Fraud. This would especially apply to Roger Trout, Joe Harn and Bill Schultz. Refusing to respond to constituents demonstrates your contempt for your Constitutional Oaths of Office and the law, proof that EDC has established a new ***Standard for CA Corruption.***

No government, jurisdiction, office, officer, or any government agency can lawfully uphold the actions of ANY public officer who has vacated his office, pursuant to sections 3 & 4 of the 14th Amendment, and to do so makes them just as guilty, and, in part, they have committed misprision of crime. ***THAT INCLUDES COUNTY COUNSEL AND VERN PIERSON.***

CALIFORNIA BROWN ACT

PREAMBLE:

"The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people do not yield their sovereignty to the bodies that serve them. The people insist on remaining informed to retain control over the legislative bodies they have created."

CHAPTER V.

RIGHTS OF THE PUBLIC

§54954.3 Public's right to testify at meetings. (c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law. Care must be given to avoid violating the speech rights of speakers by suppressing opinions relevant to the business of the body.

As such, members of the public have broad constitutional rights to comment on any subject relating to the business of the governmental body. Any attempt to restrict the content of such speech must be narrowly tailored to effectuate a compelling state interest. Specifically, the courts found that policies that prohibited members of the public from criticizing school district employees were unconstitutional. (Leventhal v. Vista Unified School Dist. (1997) 973 F. Supp. 951; Baca v. Moreno Valley Unified School Dist. (1996) 936 F. Supp. 719.) These decisions found that prohibiting critical comments was a form of viewpoint discrimination and that such a prohibition promoted discussion artificially geared toward praising (and maintaining) the status quo, thereby foreclosing meaningful public dialog.

Where a member of the public raises an issue which has not yet come before the legislative body, the item may be briefly discussed but no action may be taken at that meeting. The purpose of the discussion is to permit a member of the public to raise an issue or problem with the legislative body or to permit the legislative body to provide information to the public, provide direction to its staff, or schedule the matter for a future meeting. (§ 54954.2(a).)
