Hi CJ,

The Department of Transportation is requesting this item be continued off calendar. Per the Contract between the County and Nehemiah Construction, Inc. either party may request to go to the Dispute Review Board. Per the Standard Specifications, the Dispute Review Board can not meet after the Board has approved the Notice of Completion. The next Dispute Review Board meeting is on May 26, 2009. The Department will bring this item in front of the Board once this matter is resolved. Let me know if you have any questions.

Thank you,
Traci Williams
