there is litigation or an audit or other investigation involving those books or records, Contractor shall retain the books or records until the resolution of such litigation, audit, or investigation.

The County or their designee shall have access to and right to examine, monitor, and audit all records, documents, conditions, and activities related to programs funded by this Agreement. For purposes of this section "access to" means that the Contractor shall at all times maintain a complete set of records and documents related to programs funded by this Agreement and shall make these records available to the state or County, or their respective designee in a central location.

R. Release of Information: Contractor shall ensure that County Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

S. Standards of Conduct: The following standards apply to Contractor and, in the event County agrees in writing to Contractor subcontracting services under this Agreement, pursuant to the Article titled "Assignment and Delegation," Contractor shall ensure the following standards are included in any subcontract hereto:

- 1) Every reasonable course of action shall be taken to maintain the integrity of this expenditure of public funds and to avoid favoritism and questionable or improper conduct. This Agreement shall be administered in an impartial manner, free from efforts to gain person, financial or political gain.
- 2) Any executive or employee of the Contractor shall not solicit or accept money or any other consideration from a third person for the performance of an act reimbursed in whole or part by the County or the state. Supplies, materials, equipment, or services purchased with Agreement funds shall be used solely for purposes allowed under this Agreement. No member of the Contractor's Board will cast a vote on the provision of services by that member (or any organization which that member represents) or vote on any matter which would provide direct financial benefit to that member (or immediate family of the member) or any business or organization which the member directly represents.
- 3) The County, by written notice to the Contractor, may terminate the right of the Contractor to proceed under this Agreement if it is found, after notice and hearing by the County or state, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County or state with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such Agreement, provided that the existence of the fact upon which the County or state makes such findings that shall be an issue may be reviewed in any competent court.
- 4) In the event this Agreement is terminated as provided in the paragraph above, the County or state shall be entitled:
 - a. To pursue the same remedies against the Contractor as it could pursue in the event of the breach of the Agreement by the Contractor, and
 - b. As a predetermined amount of liquidated damages in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount which shall be not less than three (3) times the cost incurred by the County or state in providing any such gratuities to any such officer or employee.

- 5) The rights and remedies of the Contractor provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon a contract or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of the Contractor, for the purpose of securing business. For breach or violation of this warranty, the state shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
- 6) Contractor, and any subcontractors and/or consultants retained by the Contractor with funds provided under this Agreement must comply with the provisions of California Government Code Section 19990, et seq.

T. Subcontracting: In addition to the Article titled, "Assignment and Delegation," the Contractor certifies that:

- 1) Any work or services specified in this Agreement which will be performed by other than the Contractor shall be evidenced by a written Agreement specifying the terms and conditions of such performance.
- 2) The Contractor shall maintain and adhere to an appropriate system, consistent with federal, state and local law, for the award and monitoring of contracts that contain acceptable standards for insuring accountability.
- 3) The system for awarding contracts will contain safeguards to ensure that the Contractor does not contract with any entity whose officers have been convicted of fraud or misappropriation of funds.
- 4) Subcontractors shall comply with the Confidentiality requirements set forth in the Article titled "Confidentiality Requirements" of this Agreement.

U. HIPAA Compliance: By signing this Agreement, Contractor agrees to comply with the exhibit marked "Business Associate Agreement," attached hereto and incorporated by reference herein.

V. Debarment and Suspension Certification: By signing this agreement, the Contractor agrees to comply with applicable federal suspension and debarment regulations and Contractor further certifies to the best of its knowledge and belief that it and its principals or affiliates or any sub-contractor utilized under the agreement:

- 1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
- 2) Have not within a three year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- 3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in the above Paragraph B;

- 4) Have not within a three (3)-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default;
- 5) Shall not knowingly enter in to any lower tier or subrecipient covered transaction with any person(s) who are proposed for debarment under federal regulations or are debarred, suspended, declared ineligible or voluntarily excluded from participation in such transactions, unless authorized by the state; and
- 6) Shall include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier or subrecipient covered transactions.

The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.

If the Contractor knowingly violates this certification, in addition to other remedies available to the federal and state Governments, County may immediately terminate this Agreement for cause or default.

W. Compliance with All Federal, State and Local Laws and Regulations: Contractor shall comply with all federal, state and local laws including, but not limited to, the Americans with Disabilities Act (ADA) of 1990 (42USC12101 et. seq.) and California Government Code Sections 11135-11139.5, and all regulations, requirements, and directives pertinent to its operations. Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from County's Health and Human Services Agency.

Contractor shall further comply with all applicable laws relating to wages and hours of employment and occupational safety and to fire, safety, and health and sanitation regulations. Such laws shall include, but not be limited to, the Copeland "Anti-Kickback" Act, the Davis-Bacon Act, the Contract Work Hours and Safety Standards Act, the Clean Air Act and amendments, the Clean Water Act and amendments, and the Federal Water Pollution Control Act.

Contractor further warrants that it has all necessary licenses, permits, notices, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of El Dorado and all other appropriate governmental agencies and shall maintain these throughout the term of the Agreement.

X. Litigation: The County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations. The Contractor shall immediately notify the County of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and state.

Y. Federal Equal Opportunity Requirements: Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin,

physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Contractor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age, or status as a disabled veteran of the Vietnam era. Such action shall include, but not be limited to the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and career development opportunities and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government Federal Rehabilitation Act of 1972 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance act of 1974 (38 U.S.C. 4212). Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin, physical or mental handicap, disability, age, or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

Contractor will, in all solicitations or advancements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, physical or mental handicap, disability, age, or status as a disabled veteran of the Vietnam era.

Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the Federal Government or State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

Contractor will comply with all provisions of and furnish all information and reports required by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR Part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.

Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' as supplemented by regulation at 41 CFR Part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1972, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

In the event of Contractor's noncompliance with the requirements herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled,

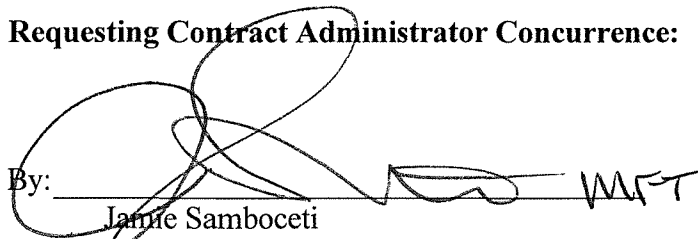

terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with the procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR Part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

HIPAA Business Associate Agreement

This Business Associate Agreement is made part of the base contract (“Underlying Agreement”) to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the “Effective Date”).

RECITALS

WHEREAS, County and Contractor (hereinafter referred to as Business Associate (“BA”) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement; and

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the “HITECH” Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the “HIPAA Regulations”) and other applicable laws as may be amended from time to time; and

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103 ; and

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103; and

WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.

2. Scope of Use and Disclosure by BA of County Disclosed PHI

- A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
- B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 - (1) Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 - (3) Disclose PHI as necessary for BA's operations only if:
 - (a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (i) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
 - (ii) The third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
 - (4) Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 - (5) Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 - (6) De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
- C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.

3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:

- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308,164.310,164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
 - C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
 - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.
4. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
 - B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:
 - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy

of the individual's authorization, or a copy of the written request for disclosure.

- (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.

- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.

5. Obligations of County.

- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
 - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

- C. Effect of Termination.
- (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
 - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
 - E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
8. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
 9. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
 10. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
 11. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
