Event/Project Description

1. Describe the purpose of the event/project/organization for which funds are being requested.

The rental of the Hall provides for the upkeep, improvements, taxes, and insurance to keep the Hall open for public use. Our fire insurance has quadrupled with diminishing income.

2. How will the event/project support or produce a public benefit to El Dorado County?

The Hall is the heart of the Georgetown Divide. It has the largest indoor capacity on the divide with a stage. It provides for Jazzercise and yoga classes, music programs, and is a site for community organizations to hold events, weddings and funerals! It has been used as a resource center during snowmageddon and the fire evacuees.
