RE: Support for Immediate Budget Action to Address Child Care

Dear Governor:

On behalf of the hundreds of affected families in the County of El Dorado, the Board of Supervisors for the County of El Dorado asks that you immediately vote for a California budget that keeps families working, creates and maintains jobs, provides a strong safety net for working poor families and children, contributes to an economic turnaround, and goes after targeted revenue solutions at the state and federal level.

The Board of Supervisors understands that there are no easy choices; however, we cannot continue to put working poor families, education and children in harm's way.

The budget impasse and impacts have already devastated our non profit agencies and low income families. Please take proactive action and help us keep our families working and their children in good care.

Thank you, Governor Schwarzenegger, for your immediate attention to this request.

Sincerely,

Norma Santiago, Chair
