

## Food Bank of El Dorado County Recipient of \$2500 Donation from Sutter Health

Supervisor Frentzen is excited to name the Food Bank of El Dorado County as the non-profit of her choice to be the recipient of the \$2,500 donation by Sutter Health.

Supervisor Frentzen attended the Cap-to-Cap event in Washington D.C. in April, 2016. At the gala event that was held on the last night of Cap-to-Cap, two chairs in the auditorium were randomly marked to give attendees an opportunity to make a positive difference for a cause/non-profit that they believed in. Supervisor Frentzen happened to be sitting in one of those chairs!

Sutter Health presented Supervisor Frentzen and another Cap-to-Cap attendee with \$2,500 to donate to a charity or non-profit of her choice. Supervisor Frentzen acknowledges and appreciates the difference that the Food Bank of El Dorado County has made in El Dorado County.
