Re: CDBG #08-STBG-4982, El Dorado County

Dear Mr. Cook:

Thank you for your recent correspondence dated June 30, 2009, regarding the approval of a 90 day extension to clear the 90-day conditions as set forth in Standard Agreement #08-STBG-4982. El Dorado County is committed to the successful implementation of this grant award and is currently undertaking the following steps to ensure that the required special conditions are met:

- 08/11/09: Board of Supervisors update on State response and direct staff to begin
- 08/12/09: Public Hearing Notice published for amendments and new site selection
- 08/21/09: Completion of Environmental Review-NEPA/CEQA
- 08/24/09: Public Hearing Meeting with community members
- 08/28/09: Request State Modify Project Milestones and Funding Schedule
- 09/04/09: NEPA/CEQA Public Notice and Notice of Determination Filed w/State
- 09/23/09: Public Hearing Notice published for amendments and new site selection
- 10/06/09: Board of Supervisors Public Hearing
  - Review and approval of Resolution and Rent Limitation Agreement
- 10/16/09: Submission of final documents to State for Review

Although progress is currently being made to complete the 90-day conditions, we recognize that additional time will be needed as no work could be continued until a response on amending the site was received from your office. For this reason, El Dorado County is respectfully requesting an additional 90-day extension beyond the approved July 20, 2009 timeline to complete the process outlined above.

We appreciate your consideration of this request and look forward to receiving your response. If you have any questions or require additional information, please do not hesitate to contact Shawna Purvines at (530) 621-6276. Thank you for your continued assistance in this process.

Sincerely,

Janet Walker-Conroy  
Acting Director of Human Services
