NOW, THEREFORE, County and Consultant mutually agree as follows:

ARTICLE I

Scope of Work: Consultant is engaged in the business of doing the services and tasks required under this Agreement, including those services and tasks that are identified in Exhibit A, marked "Scope of Work," incorporated herein and made by reference a part hereof, or as identified in individual Work Orders to be issued in accordance with this Agreement, and those services and tasks that are reasonably necessary for the completion of the work identified in the Scope of Work.

Consultant shall furnish, at Consultant's own cost and expense, all personnel, subconsultants, services, tools, vehicles, and equipment or any other materials, necessary to perform the services and tasks required under this Agreement, including those services and tasks that are identified in Exhibit A, and those services and tasks that are reasonably necessary for the completion of the work identified in the Scope of Work. Consultant shall complete those services and tasks in accordance with Exhibit B, marked "Cost Proposal," incorporated herein and made by reference a part hereof.

Consultant acknowledges that the work performed must meet the approval of County, and therefore County reserves the right to monitor the work to ensure its satisfactory completion.

County will issue a Notice to Proceed with the Work to Consultant for Tasks 1-4 on Exhibit A, and Consultant shall not begin work until the date specified in the Notice to Proceed. No payment will be made for any work performed prior to the date specified in the Notice to Proceed.

In addition to the specific services identified in Exhibit A, this Agreement may also include additional scope of work items or Contingency Work. Such Contingency Work may supplement, expand, or otherwise modify the Scope of Work or may include tasks that are deemed critical by County's Contract Administrator, or designee, to the furtherance of the project. Before proceeding with any work concerning Contingency Services under this Agreement, the parties shall identify the specific services to be provided for each assignment. The specific services for each Contingency Services work assignment shall be determined at a meeting, by email, or telephone conference between Consultant and County's Contract Administrator, or designee to discuss the needs, applicable standards, required deliverables, specific Consultant staff, and subconsultants, if applicable. Within an agreed timeframe as determined by County's Contract Administrator, or designee, following the meeting or telephone conference, Consultant shall provide County's Contract Administrator, or designee, with a written scope of work, a schedule including a list of tasks with completion dates, a target completion date for the overall scope of work, and a not-to exceed cost itemization to complete the work (resulting in a Work Order), which shall require written approval, authorization, and written notification to proceed from County's Contract Administrator, or designee, prior to commencement of the work.

Consultant shall not commence work until receiving the written Work Order. No payment will be made for any work performed prior to the issuance of the written Work Order. No payment will be made for any work performed prior to approval and full execution of the Work Order or beyond the earlier of the expiration date of the Work Order or expiration of

the underlying Agreement, and no payment will be made for amounts in excess of the not-to-exceed amount of the Work Order.

The period of performance for Work Orders shall be in accordance with dates specified in each Work Order. No payment will be made for any work performed before or after the period of performance in the Work Order unless County's Contract Administrator, or designee, and Consultant amend the Work Order. No Work Order will be written which exceeds the cumulative total of the not-to-exceed dollar amount of this Agreement. No Work Order will be written which extends beyond the expiration date of this Agreement.

Deliverables shall be submitted via electronic file and Consultant shall produce the file using Microsoft (MS) Office 365 applications (specifically, MS Word, MS PowerPoint, and MS Excel). Signed reports shall be submitted in Adobe portable document format (PDF). Electronic auto computer aided design (AutoCAD) 2020 or AutoCAD Civil 3D 2020 format shall be used for submittal of plans or other similar documents as specified by County's Contract Administrator, or designee. Drawings shall be submitted using Revit. All deliverables shall be submitted in the language, format and design that are compatible with and completely transferable to County's computer, and that are acceptable to County's Contract Administrator, or designee. Newer versions of software may be used and other types of software used for analytical purposes may be authorized if approved in advance of the submittal by County's Contract Administrator, or designee. Consultant shall submit all deliverables to County's Contract Administrator, or designee, in accordance with completion time schedules identified in the individual Work Orders issued pursuant to this Agreement. Failure to submit the required deliverables in the format required may be grounds for termination of the Agreement, as provided in ARTICLE XXII, Default, Termination, and Cancellation, herein.

Consultant shall perform the services and tasks required under this Agreement in a safe, professional, skillful, and workmanlike manner. Consultant is responsible for ensuring that its employees, as well as any subconsultant if applicable, perform the services and tasks required under this Agreement accordingly. All of the services included in the Scope of Work, or in the individual Work Orders issued pursuant to this Agreement, are the responsibility of Consultant unless specifically described as a task or item of work to be provided by County. Consultant shall be responsible for the supervision, administration, and work performed by any subconsultant for services rendered under this Agreement. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Consultant or its employees, agents, associates, representatives, or subconsultants.

ARTICLE II

Term: This Agreement shall become effective from the date specified in the official Notice to Proceed with the Work, which shall be attached to this Agreement as an addendum and shall become part of this Agreement, and shall expire two (2) years thereafter, unless extended by mutual agreement through a fully executed contract Amendment.

ARTICLE III

Compensation for Services: For services provided herein, including any deliverables that may be identified in the individual Work Orders issued pursuant to this Agreement, County agrees to pay Consultant upon the satisfactory completion and County's acceptance of each work assignment in arrears. Payment shall be made within forty-five (45) days following County receipt and approval of invoices detailing the services rendered.

For the purposes of budgeting the tasks in Exhibit A, the billing amounts are identified in Exhibit B.

For the purposes hereof, the billing rates for Contingency Work shall be in accordance with Exhibit C, marked "Fee Schedule," incorporated herein and made by reference a part hereof.

The rates listed on Exhibit C may be adjusted on an annual basis upon completion of the first twelve (12) consecutive months of this Agreement with thirty (30) calendar days prior written notice from Contractor and prior written approval by County's Contract Administrator or designee. Any rate increases authorized by County's Contract Administrator or designee shall not increase the total not-to-exceed amount of the Agreement. In no event shall the total not-to-exceed amount of the Agreement be exceeded. This rate adjustment process described herein shall not change for the life of the Agreement unless otherwise specified in a written amendment.

Notwithstanding any other provision of this Agreement to the contrary, when performing any required Contingency Work, payments to Consultant and subconsultants for travel, lodging, per diem, and mileage expenses, if applicable, for Consultant's or subconsultant's claims for reimbursement shall not exceed the rates to be paid to County employees under the current Board of Supervisor's Travel Policy in effect at the time the expenses are incurred, without markup. Any individual travel expense exceeding one hundred dollars (\$100) and any work requiring overnight stay must be approved in advance by County's Contract Administrator, or designee. Consultant and subconsultant are responsible for canceling hotel rooms before the cancellation period ends and should record the cancellation number in case of disputes. Consultant and subconsultant shall not be reimbursed for "no-show" hotel charges unless there are unavoidable reasons for not cancelling the room and County's Contract Administrator, or designee, has determined that the reasons are valid.

Contingency Work that includes subconsultant's services, other outside services, other direct costs, including at a minimum, printing, delivery charges, and copying costs, authorized herein shall be invoiced at Consultant's cost, with a ten percent (10%) markup, for the services rendered. Rates and fees, included in such direct costs, will require prior authorization from County's Contract Administrator, or designee, or successor. Any invoices that include subconsultant services shall be accompanied by backup documentation to substantiate Consultant's costs for the services being billed on those invoices.

The total amount of this Agreement shall not exceed \$440,000, inclusive of all Work Orders, and amended Work Orders, all work of subconsultants, Contingency Work, and all costs, taxes, and expenses. It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this Agreement through Work Orders.

Invoices shall follow the format specified by County and shall reference this Agreement number and the County-supplied Work Order number both on their faces. Copies of documentation attached to invoices shall reflect Consultant's charges for the specific services billed on those invoices. Consultant shall bill County for only one (1) Work Orderper invoice. Invoices shall be mailed to County at the following address:

County of El Dorado
Chief Administrative Office
Facilities Division
3000 Fairlane Court, Suite One
Placerville, California 95667

or to such other location as County directs.

In the event that Consultant fails to deliver the documents or other deliverables required by the individual Work Orders issued pursuant to this Agreement, County at its sole option may delay the payment for the period of time of the delay, cease all payments until such time as the deliverables are received, or proceed as set forth herein below in ARTICLE XXII, Default, Termination, and Cancellation, herein.

ARTICLE IV

Copies may be made for Consultant's records, but shall not be furnished to others without prior written authorization from County's Contract Administrator (or designee). Such deliverables shall be deemed works made for hire and all rights in copyright therein shall be retained by County. Consultant shall furnish County all necessary copies of data, including data stored in electronic format, needed to complete the review and approval process of the services and deliverables provided under this Agreement.

If County uses or reuses any reports, documents, plans, specifications, estimates, and any other materials or data prepared by Consultant under this Agreement, on any project

other than this project, it shall remove the seals of the Consultant and any of its subconsultants, and shall release Consultant and its officers, directors, agents, employees and subconsultants from claims arising out of such use or reuse.

Consultant and any subconsultant authorized herein, have full responsibility for the accuracy and completeness of the deliverables, reports, and such other documents that may be required for the tasks or items of work assigned. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement and any Work Orders issued pursuant to this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

2. If County terminates this Agreement, in whole or in part, for default:
 - a. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Consultant shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.
 - b. County shall pay Consultant the sum due to Consultant under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Consultant under this Agreement and the balance, if any, shall be paid to Consultant upon demand.
 - c. County may require Consultant to transfer title and deliver to County any completed work under the Agreement.

D. Termination or Cancellation without Cause: County may terminate this Agreement or any Work Order issued pursuant to this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Consultant, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Work Order or the total amount of the Agreement, as applicable. Upon receipt of a Notice of Termination, Consultant

shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination, County reserves the right to take over and complete the work by contract or by any other means.
