Karen,

This land is owned by the County and therefore is not subject to the County Zoning Regulations, or the City of Placerville Regulations.

There is no requirement for any Zoning permits for the Fairgrounds site.

Subject Fw: Permission Handy Racing 4th

Roger,

Here is the request from Pyro Spectaculars for the El Dorado County Fairgrounds/Handy Racing 4th of July fireworks. As per our new process, can you please review and let our office know if this event needs any county permits.

Thanks,

***Karen Feathers***
