By *Jane Roche*

CEQA Statute Section 21080.

Categorical Exemption. State type and section number: Section 15305 (Minor Alterations in Land Use Limitations)

Statutory Exemption. State code number: _____

Reasons why project is exempt:

Conditional Use Permit CUP19-0010 has been found categorically exempt pursuant to Section 15305 of the CEQA Guidelines (Minor Alterations in Land Use Limitations), applying to projects with minor alterations in land use limitations in areas with average slopes of less than 20 percent and which do not result in any changes to land use or density. The project site is fully developed and contains slopes of less than 20 percent. The project would not result in any changes to land use or density because live music would be presented to existing restaurant patrons only; use and occupancy requirements for the Poor Red's establishment would not change as a result of the project.
