TERMS AND CONDITIONS FOR SOFTWARE LICENSES, SOFTWARE AND EQUIPMENT SUPPORT SERVICES,
AND EDUCATIONAL AND PROFESSIONAL SERVICES

This Section B applies to Software licensed, Equipment purchased, support services for Software and Equipment, and educational and professional services, when such items are identified on the Order which expressly references this Agreement.

1. PAYMENT AND DELIVERY

Unless otherwise set forth in this Agreement, payment terms are indicated on the Order Form or other contemporaneous ordering document containing product-specific payment terms signed by the parties. Delivery terms are as stated on the Order Form ("Delivery"). Kronos will invoice Customer for products upon Delivery. Unless otherwise set forth on the Order Form, Professional and Educational Services are provided on a time and materials basis, invoiced monthly as rendered.

2. GENERAL LICENSE TERMS

Kronos owns or has the right to license the Software. The Software and Software documentation are confidential and may not be disclosed to a third party without Kronos' written consent. The Software contains proprietary trade secret technology. Unauthorized use and copying of such Software is prohibited by law, including United States and foreign copyright law. The price Customer pays for a copy of the Software constitutes a license fee that entitles Customer to use the Software as set forth below. Kronos grants to Customer a non-exclusive, nontransferable, perpetual (except as provided herein) license to use the Software. This license may be terminated by Kronos by written notice to Customer upon any material breach of this Agreement by Customer which remains uncured for a period of thirty (30) days after such written notice from Kronos. Upon such termination of this license by Kronos, Customer will have no further right to use the Software and will return the Software media to Kronos and destroy all copies of the Software (and related documentation) in Customer's possession or control. This license is subject to all of the terms of this Section B.

3. FEE BASED LIMITATIONS

Customer recognizes and agrees that the license to use the Software is limited, based upon the amount of the license fee paid by Customer. Limitations, which are set forth on the Order Form, may include the number of employees, simultaneous or active users, Software product modules, Software features, computer model and serial number and partition, and/or the number of telephone lines or terminals to which the Software is permitted to be connected. Customer agrees to: i) use the Software only for the number of employees, simultaneous or active users, computer model, partition and serial number, and/or terminals permitted by the applicable license fee; ii) use only the product modules and/or features permitted by the applicable license fees; and iii) use the Software only in support of Customer's own business. Customer agrees not to increase the number of employees, simultaneous or active users, partitions, terminals, products modules, features, or to upgrade the model, as applicable, unless and until Customer pays the applicable fee for such increase/upgrade. Customer may not relicense or sublicense the Software to, or otherwise permit use of the Software (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

4. OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code. The Programs include components owned by third parties. Such third party components are deemed to be Software subject to this Section B. Customer shall not use any of the Programs (or the data models therein) except solely as part of and in connection with the Software and as described in the published documentation for such Software.

5. PERMITTED COPIES

Customer may copy the Programs as reasonably necessary to load and execute the Programs and for backup and disaster recovery and testing purposes only, except for additional copies of the Teletime Software and the Kronos iSeries (which must be licensed separately). All copies of the Programs or any part thereof, whether in printed or machine readable form and whether on storage media or otherwise, are subject to all the terms of this license, and all copies of the Programs or any part of the Programs shall include the copyright and proprietary rights notices contained in the Programs as delivered to the Customer.

6. UPDATES

In the event that Kronos supplies Service Packs, Point Releases and Major Releases (including legislative updates if available) of the Software (collectively referred to as "Updates"), such Updates shall be part of the Software and the provisions of this license shall apply to such Updates and to the Software as modified thereby.

7. ACCEPTANCE

For Customer's initial purchase of each Equipment and Software product Kronos shall provide an acceptance test period (the "Test Period") that commences upon Installation. Installation shall be defined as: a.) the Equipment, if any, is mounted; b.) the Software is installed on Customer's server(s); and c.) implementation team training, if any, is complete. During the Test Period, Customer shall determine whether the Equipment and Software meet the Kronos published electronic documentation, ("Specifications").

The Test Period shall be for 30 days. If Customer has not given Kronos a written deficiency statement specifying how the Equipment or Software fails to meet the Specifications ("Deficiency Statement") within the Test Period, the Equipment and Software shall be deemed accepted. If Customer provides a Deficiency Statement within the Test Period, Kronos shall have 30 days to correct the deficiency, and Customer shall have an additional 30 days to evaluate the Equipment and Software. If the Equipment or Software does not meet the Specifications at the end of the second 30 day period, either Customer or Kronos may terminate this Agreement. Upon any such termination, Customer shall return all Equipment and Software (and related documentation) to Kronos, and Kronos shall refund any monies paid by Customer to Kronos for the returned Equipment and Software. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

8. LIMITED WARRANTY

Kronos warrants that all Kronos Equipment and Software media shall be free from defects in materials and workmanship, for a period of ninety (90) days from Delivery. In the event of a breach of this warranty, Customer's remedy shall be Kronos' repair or replacement of the deficient Equipment and/or Software media, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Specifications. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) or Software media in the event of:

- (a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
- (b) failure of Customer to provide and maintain a suitable installation environment, as specified in the Specifications; or
- (c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

When using and applying the information generated by Kronos products, Customer is responsible for ensuring that Customer complies with requirements of federal and state law where applicable. If Customer is licensing Workforce Payroll Software or Workforce Absence Management Software: (i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using such Software, (ii) using such Software does not release Customer of any professional obligation concerning the preparation and review of such reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or such Software for any advice or guidance regarding compliance with federal (and state laws where applicable) or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using such Software and satisfy itself that those calculations are correct.

9. PROFESSIONAL AND EDUCATIONAL SERVICES

(a) ENGAGEMENTS

Unless otherwise indicated on the Order, Professional and Educational Services ("Professional Services") shall be provided on a time and material basis and described in a statement of work. If a dollar limit is stated in the Order Form or any associated statement of work ("SOW"), the limit shall be deemed an estimate for Customer's budgeting and Kronos' resource scheduling purposes. After the dollar limit is expended, Kronos will continue to provide Professional Services on a time and materials basis, if a Change Order or Schedule of Services for continuation of the Professional Services is signed by both parties.

(b) WARRANTY

Kronos warrants that all professional and educational services performed under this Agreement shall be performed in a professional and competent manner. In the event that Kronos breaches this warranty, and Customer so notifies Kronos within 30 days of receipt of invoice for the applicable services, the Customer's remedy and Kronos' liability shall be to re-perform the services which were deficient in a manner so as to conform to the foregoing warranty, at no additional cost to Customer.

(c) KRONOS PROFESSIONAL/EDUCATIONAL SERVICES POLICIES

Kronos' then-current Professional/Educational Services Policies shall apply to all Professional and/or Educational Services purchased under the applicable SOW and may be accessed at: <http://www.kronos.com/Support/ProfessionalServicesEngagementPolicies.htm> ("Professional Services Policies"). Customer will ensure that all Customer Content conforms with the terms of this Agreement and applicable law. Kronos and its Suppliers may, but shall have no obligation to, access and monitor Customer Content from time to time to provide the Cloud Services and to ensure compliance with this Agreement and applicable law. 8. indemnification

8.1 Customer shall defend Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors (collectively, the "**Kronos Indemnified Parties**") harmless, from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "**Claim**") alleging that: (a) employment-related claims arising out of Customer's configuration of the Cloud Services; (b) Customer's modification or combination of the Cloud Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise. Kronos will cooperate fully at Customer's expense with Customer in the defense, settlement or compromise of any such action. Customer will indemnify and hold harmless the Kronos Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claims by a court of applicable jurisdiction or as a result of Customer's settlement of such a Claim.

8.2 The Kronos Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

9. SERVICE LEVEL AGREEMENT

Kronos shall provide the service levels and associated credits, when applicable, in accordance with the Service Level Agreement attached hereto as Exhibit A and which is hereby incorporated herein by reference. Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

11.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to

Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under the Agreement or as required by law.

11.3 Prior to initiation of the Cloud Services and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Cloud Services. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

EXHIBIT A OF SECTION C

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Applications, in a production environment, are provided with the service levels described in this Exhibit A. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100) and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Applications. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) expected downtime during the Maintenance Periods described below; (e) any suspension of the Cloud Services in accordance with the terms of the Agreement to which this Exhibit A is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the Documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Cloud Services, when downtime may be necessary, as further described below. The Maintenance Period is used for purposes of the Service Credit Calculation; Kronos continuously maintains the production environment on a 24x7 basis to reduce disruptions.

Customer Specific Maintenance Period

1. Customer will choose one of the following time zones for their Maintenance Period:
 - a. United States Eastern Standard Time,
 - b. GMT/UTC,
 - c. Central European Time (CET) or
 - d. Australian Eastern Standard Time (AEST).
2. Customer will choose one of the following days of the week for their Maintenance Period: Saturday, Sunday, Wednesday or Thursday.
3. Kronos will use up to six (6) hours in any two (2) consecutive rolling months (specifically: January and February; March and April; May and June; July and August; September and October; November and December) to perform Customer Specific Maintenance, excluding any customer requested Application updates. Downtime in excess of these six (6) hours will be deemed to be an Outage.
4. Customer Specific Maintenance will occur between 12am-6am during Customer's selected time zone.
5. Excluding any customer requested Application updates, Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least seven (7) days in advance of any known downtime so planning can be facilitated by Customer.

6. Customer Specific Maintenance Windows also include additional maintenance windows mutually agreed upon by Customer and Kronos.
7. In absence of instruction from Customer, Kronos will by default perform Maintenance in the time zone where the Data Center is located.

Non-Customer Specific Maintenance Period

Kronos anticipates non-Customer Specific Maintenance to be performed with no or little (less than three hours per month) Customer downtime. If for any reason non-Customer Specific Maintenance requires downtime, Kronos will provide as much notice as reasonably possible of the expected window in which this will occur. Downtime in excess of three (3) hours per month for Non-Customer Specific Maintenance will be deemed to be an Outage.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Cloud Services are unavailable as the result of an Outage.

Reporting and Claims Process: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Cloud Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Cloud Services than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

2.3 Either party may terminate the Services and the Agreement upon a material breach of the Agreement by the other party if such breach is not cured within fifteen (15) days after receipt of written notice.

2.4 In the event that either party becomes insolvent, makes a general assignment for the benefit of creditors, is adjudicated a bankrupt or insolvent, commences a case under applicable bankruptcy laws, or files a petition seeking reorganization, the other party may request adequate assurances of future performance. Failure to provide adequate assurances, in the requesting party's reasonable discretion, within ten (10) days of delivery of the request shall entitle the requesting party to terminate the Agreement immediately upon written notice to the other party.

2.5 If the Agreement is terminated for any reason:

(a) Customer shall pay Kronos within thirty (30) days of such termination, all fees accrued and unpaid under this Agreement prior to the effective date of such termination, provided however, if Customer terminates for material breach of the Agreement by Kronos, Kronos shall refund Customer any pre-paid fees for Services not delivered by Kronos;

Customer agrees to use only the modules and/or features for the number of employees and users as described on the Order Form. Customer agrees not to use any other modules or features nor increase the number of employees and users unless Customer pays for such additional modules, features, employees or users, as the case may be. 4.4 Customer acknowledges and agrees that, as between Customer and Kronos, Kronos retains ownership of all right, title and interest to the Services, all of which are protected by copyright and other intellectual property rights, and that, other than the express rights granted herein and under any other agreement in writing with Customer, Customer shall not obtain or claim any rights in or ownership interest to the Services or Applications or any associated intellectual property rights in any of the foregoing. Customer agrees to comply with all copyright and other intellectual property rights notices contained on or in any information obtained or accessed by Customer through the Services.

4.5 When using and applying the information generated by the Services, Customer is responsible for ensuring that Customer complies with applicable laws and regulations. If the Services include the Workforce Payroll Applications or Workforce Absence Management Applications: (i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using these Applications, (ii) using these Applications does not release Customer of any professional obligation concerning the preparation and review of any reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or these Applications for any advice or guidance regarding compliance with federal and state laws or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using these Applications and satisfy itself that those calculations are correct.

Kronos' configuration of the Applications will be based on information and work flows that Kronos obtains from Customer during the discovery portion of the implementation. Customer agrees that Kronos may install critical security patches and infrastructure updates automatically as part of the Services. Kronos' then-current Support Services Policies shall apply to all Support Services provided by Kronos and may be accessed at: <http://www.kronos.com/Support/SupportServicesPolicies.htm> ("Support Policies"). In the event of a conflict between the Support Policies and this Agreement, the terms of this Agreement shall prevail.

7.4 Support Services for Equipment. Provided Customer has purchased support services for the Equipment, the following terms shall apply (Depot Exchange support services for rented Equipment are included in the rental fees for such Equipment):

(a) Customer may select, as indicated on an Order Form, an Equipment Support Services option offered by the local Kronos entity responsible for supporting the Equipment if and as such offerings are available within the Kronos territory corresponding to the Equipment's location. Kronos shall provide each Equipment Support Services offering as specified herein.

(i) **Depot Exchange and Depot Repair.** If Customer has selected Depot Exchange or Depot Repair Equipment Support Services, the following provisions shall apply: Upon the failure of installed Equipment, Customer shall notify Kronos of such failure and Kronos will provide remote fault isolation at the FRU (Field Replacement Unit) or subassembly level and attempt to resolve the problem. Those failures determined by Kronos to be Equipment related shall be dispatched to a Kronos Depot Repair Center, and Customer will be provided with a Return Material Authorization Number (RMA) for the failed Equipment if Customer is to return the failed Equipment to Kronos, as reasonably determined by Kronos. Customer must return the failed Equipment with the supplied RMA number. Hours of operation, locations and other information related to Kronos' Depot Repair Centers are available upon request and are subject to change. Return and repair procedures for failed Equipment shall be provided based on the Depot option - Depot Exchange or Depot Repair - selected by Customer on the applicable Order Form and as specified herein and in Kronos' then-current Support Services Policies. Service packs for the Equipment (as described in subsection (ii) below) are included in both Depot Exchange and Depot Repair Support Services.

Depot Exchange: Kronos will provide a replacement for the failed Equipment at the FRU or subassembly level on an "advanced exchange" basis, utilizing a carrier of Kronos' choice. Replacement Equipment will be shipped the same day, for delivery to Customer's location as further described in the Support Policies. REPLACEMENT EQUIPMENT MAY BE NEW OR RECONDITIONED. Customer shall specify the address to which the Equipment is to be shipped. All shipments will include the Kronos provided RMA designating the applicable Kronos Depot Repair Center, as the recipient. Customer, upon receipt of the replacement Equipment from Kronos, shall package the defective Equipment in the materials provided by Kronos, with the RMA supplied and promptly return failed Equipment directly to Kronos.

Depot Repair: Upon failure of installed Equipment, Customer shall install a Spare Product (as defined below) to replace the failed Equipment. Customer shall then return the failed Equipment, with the required RMA, to the applicable Kronos Depot Repair Center. Customer shall make reasonable efforts to return the failed Equipment using the same or substantially similar packing materials in which the original Equipment was sent. Customer shall also specify the address to which the repaired Equipment should be return shipped. Upon receipt of the failed Equipment, Kronos shall repair the failed Equipment and ship it, within ten (10) business days after receipt, to Customer. Kronos shall ship the repaired Equipment by regular surface transportation to Customer.

In the event of a breach of this warranty, Customer's exclusive remedy shall be Kronos' repair or replacement of the deficient service pack(s) or firmware update(s), at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the specifications.

(c) **Responsibilities of Customer.** It is Customer's responsibility to purchase and retain, at Customer's location and at Customer's sole risk and expense, a sufficient number of spare products ("Spare Products") to allow Customer to replace failed Equipment at Customer's locations in order for Customer to continue its operations while repairs are being performed and replacement Equipment is being shipped to Customer. For each of the Depot Exchange and Depot Repair Equipment Support Services options, Customer agrees that it shall return failed Equipment promptly as the failures occur and that it shall not hold failed Equipment and send failed Equipment to Kronos in "batches" which shall result in a longer turnaround time to Customer. In addition, Customer agrees to:

(i) Maintain the Equipment in an environment conforming to the Kronos published specifications for such Equipment;

(ii) Not perform self-repairs on the Equipment (i.e., replacing components) without prior written authorization from Kronos;

In the event that Kronos is unable to correct material deficiencies in the Services arising during the Warranty Period, after using Kronos' commercially reasonable efforts to do so, Customer shall be entitled to terminate the then remaining Term of the Agreement as Customer's sole and exclusive remedy. Kronos' obligations hereunder for breach of warranty are conditioned upon Customer notifying Kronos of the material breach in writing, and providing Kronos with sufficient evidence of such non-conformity to enable Kronos to reproduce or verify the same.

11.3 Kronos warrants to Customer that each item of Equipment shall be free from defects in materials and workmanship during the Warranty Period. In the event of a breach of this warranty, Customer's sole and exclusive remedy shall be Kronos' repair or replacement of the deficient Equipment, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Documentation for such Equipment. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) in the event of:

Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

12.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under the Agreement or as required by law.

12.3 Prior to initiation of the Services under the Agreement and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Services. 13. INDEMNIFICATION

13.1 Kronos shall defend Customer and its respective directors, officers, and employees (collectively, the "Customer Indemnified Parties"), from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third

party (each a "Claim") alleging that the permitted uses of the Services infringe or misappropriate any United States or Canadian copyright or patent and will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claim by a court of applicable jurisdiction or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Services by reason of infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in the Agreement, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Agreement and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of the Agreement. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall be responsible and liable for all damages and cost of Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors any and all Claims alleging that: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 Except as specifically provided in this agreement, Kronos and its Suppliers will not be liable for any damages or injuries caused by the use of the services or by any errors, delays, interruptions in transmission, or failures of the Services.

14.2 Except for Kronos' indemnification obligations set forth in Section 13 above, the total aggregate liability of Kronos or Kronos' suppliers to Customer and/or any third party in connection with the Agreement shall be limited to direct damages proven by Customer, such direct damages not to exceed an amount equal to the total net payments received by Kronos for the Services in the twelve (12) month period immediately preceding the date in which such claim arises.

14.3 except for Kronos' indemnification obligations set forth in Section 13 above, in no event shall Kronos or Kronos' suppliers, their respective affiliates, service providers, or agents be liable to Customer or any third party for any incidental, special, punitive, consequential or other indirect damages or for any lost or imputed profits or revenues, lost data or cost of procurement of substitute services resulting from delays, nondeliveries, misdeliveries or services interruption, however caused, arising from or related to the Services or the Agreement, regardless of the legal theory under which such liability is asserted, whether breach of warranty, indemnification, negligence, strict liability or otherwise, and whether liability is asserted in contract, tort or otherwise, and regardless of whether Kronos or Supplier has been advised of the possibility of any such liability, loss or damage.

14.4 Except with respect to liability arising from Kronos' gross negligence or willful misconduct, Kronos disclaims any and all liability, including without limitation liability related to a breach of data security and confidentiality obligations, resulting from any externally introduced harmful program (including without limitation viruses, trojan horses, and worms), Customer's Content or applications, third party unauthorized access of Equipment, SaaS Applications or systems, or machine error.

EXHIBIT D-1

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment, are provided with the service levels described in this Exhibit A. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100) and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Applications. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) expected downtime during the Maintenance Periods described below; (e) any suspension of the Services in accordance with the terms of the Agreement to which this Exhibit A is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the Documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when downtime may be necessary, as further described below. The Maintenance Period is used for purposes of the Service Credit Calculation; Kronos continuously maintains the production environment on a 24x7 basis to reduce disruptions.

Customer Specific Maintenance Period

1. Customer will choose one of the following time zones for their Maintenance Period:
 - a. United States Eastern Standard Time,
 - b. GMT/UTC,
 - c. Central European Time (CET) or
 - d. Australian Eastern Standard Time (AEST).
2. Customer will choose one of the following days of the week for their Maintenance Period: Saturday, Sunday, Wednesday or Thursday.
3. Kronos will use up to six (6) hours in any two (2) consecutive rolling months (specifically: January and February; March and April; May and June; July and August; September and October; November and December) to perform Customer Specific Maintenance, excluding any customer requested Application updates. Downtime in excess of these six (6) hours will be deemed to be an Outage.
4. Customer Specific Maintenance will occur between 12am-6am during Customer's selected time zone.
5. Excluding any customer requested Application updates, Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least seven (7) days in advance of any known downtime so planning can be facilitated by Customer.
6. Customer Specific Maintenance Windows also include additional maintenance windows mutually agreed upon by Customer and Kronos.

7. In absence of instruction from Customer, Kronos will by default perform Maintenance in the time zone where the Data Center is located.

Non-Customer Specific Maintenance Period

Kronos anticipates non-Customer Specific Maintenance to be performed with no or little (less than three hours per month) Customer downtime. If for any reason non-Customer Specific Maintenance requires downtime, Kronos will provide as much notice as reasonably possible of the expected window in which this will occur. Downtime in excess of three (3) hours per month for Non-Customer Specific Maintenance will be deemed to be an Outage.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Reporting and Claims Process: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event.

Kronos will provide Customer with an Application Availability report on a monthly basis for each prior calendar month. Within sixty (60) days of receipt of such report, Customer must request the applicable Service Credit by written notice to Kronos. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

2. Billing

2.1 Kronos will invoice the Fees on the Billing Frequency indicated on the Order Form. For each Order Form, the billing period of the PEPM Fees will start on the Billing Start Date and will continue for the time period indicated as the Initial Term. Customer will pay the Fees on the Payment Terms and in the currency, indicated on the Order Form. Customer will send payment to the attention of Kronos at the address indicated on the applicable invoice unless the Parties have made an alternative payment arrangement (such as credit card, wire transfer, ACH payment or otherwise). Unless expressly provided in this Section K, Customer payments are non-refundable. Each Party is responsible to pay all costs and fees attributable to such Party pursuant to the Shipping Terms indicated on the Order Form.

2.2 At the expiration of the Initial Term, and at the expiration of each Renewal Term, the Service will automatically renew for a Renewal Term. as delivered, except if otherwise indicated on an Order Form. Each Party will perform their respective obligations as outlined in a signed SOW.

3.2 While Customer may configure the Applications itself, as part of the Implementation Services as described in an SOW, Kronos may also configure the Applications. Kronos will configure the Applications based on Customer's instructions and direction. Customer is solely responsible for ensuring that the Configurations comply with Applicable Law.

3.3 Kronos may also provide Professional Services to Customer that do not require an SOW but which will be as set forth on an Order Form.

3.4 The Kronos policies set forth in Section B shall apply to all Implementation Services and Professional Services provided by Kronos. In the event of a conflict between the Professional Services Policies and this Section K, the terms of this Section K shall prevail.

4. Service Level Agreement

Kronos offers the Service Level Agreement and associated SLA Credits as described in Attachment A-3. The SLA Credits are Customer's sole and exclusive remedy in the event of any Outage. Kronos remains obligated to provide the Service as otherwise described in this Section K.

5. Data, Confidentiality, Security and Privacy

Section 5.1 Data

5.1.1 Customer owns Customer Data. Customer is solely responsible for Customer Data, including ensuring that Customer Data complies with the Acceptable Use Policy and Applicable Law. Customer is solely responsible for any Claims that may arise out of or relating to Customer Data.

5.1.2 Kronos owns the Aggregated Data. Nothing in this Agreement will prohibit Kronos from utilizing the Aggregated Data for any purposes, provided that Kronos' use of Aggregated Data will anonymize Customer Data, will not reveal any Customer Confidential Information, and will not reveal any Personally Identifiable Information.

Section 5.2 Security and Privacy

5.2.1 Kronos will maintain the Controls throughout the Term.

5.2.2 Each Party will comply with all Applicable Laws, including, without limitation, Data Protection Laws.

5.2.3 Kronos employees will access Customer Data from the locations from which such employees work. Customer consents to Kronos' handling, collection, use, transfer, and processing of Customer Data to provide the Service. As may be required by Applicable Law, Customer will ensure that Customer Data may be provided to Kronos for the purposes of providing the Service. Customer has obtained all necessary consents from individuals to enable Kronos to use the Customer Data to provide the Service. As may be contemplated by the applicable Data Protection Laws, Customer will remain the "controller" of Customer Data and Kronos will be considered a "processor" of Customer Data.

5.2.4 Kronos will notify Customer in accordance with Applicable Law upon becoming aware of an unauthorized access of Customer Data. To the extent reasonably possible, such a notification will include,

at a minimum (i) a description of the breach, (ii) the information that may have been obtained as a result of the breach, and (iii) the corrective action Kronos is taking in response to the breach.

6. Warranty

Kronos warrants that the Service will be provided in a professional and workmanlike manner. TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, KRONOS DISCLAIMS ALL OTHER WARRANTIES RELATED TO THE SERVICE, EITHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. If Customer informs Kronos in writing that there is a material deficiency in the Service which is making this warranty untrue, Kronos will use its reasonable commercial efforts to correct the non-conforming Service at no additional charge, and if Kronos is unable to do so within a reasonable period of time, Customer may terminate the then remaining Term, which will be Customer's sole and exclusive remedy. Customer agrees to provide Kronos with reasonable information and assistance to enable Kronos to reproduce or verify the non-conforming aspect of the Service.

7. License

Section 7.1 Technology License

7.1.1 As part of the Service, Kronos will provide Customer access to and use of the Technology, including the Applications. Kronos hereby grants Customer a limited, revocable, non-exclusive, non-transferable, non-assignable right to use the Service, including the Technology, during the Term and for internal business purposes only. Customer acknowledges and agrees that the right to use the Service, including Seasonal Licenses when included on the Order Form, is limited based upon the number of Authorized Users, and Customer's payment of the corresponding PEPM Fees. Customer agrees to use the Applications only for the number of employees stated on the total of all Order Forms for the applicable Applications. Customer agrees not to use any other Application nor increase the number of employees using an Application unless Customer enters into an additional Order Form that will permit the Customer to have additional Authorized Users.

7.1.2 Kronos owns all title or possesses all intellectual property rights in and to the Technology used in delivering the Service. Customer has a right to use this Technology and to receive the Service subject to this Section K. No other use of the Technology is permitted. Customer is specifically prohibited from reverse engineering, disassembling or decompiling the Technology, or otherwise attempting to derive the source code of the Technology. Customer cannot contact third party licensors or suppliers for direct support of the Technology. No license, right, or interest in any Kronos trademark, trade name, or service mark, or those of any third party supplying Technology as part of the Service, is granted hereunder.

8. Scope and Authority

8.1 Authorized Users may access the Service on Customer's behalf, and Customer will be responsible for all actions taken by its Authorized Users. Customer will make sure that Authorized Users comply with Customer's obligations under this Section K. Unless Kronos breaches its obligations under this Section K, Kronos is not responsible for unauthorized access to Customer's account, nor activities undertaken with Customer's login credentials, nor by Customer's Authorized Users. Customer should contact Kronos immediately if Customer believes an unauthorized person is using Customer's account or that Customer's account information has been compromised.

8.4 Use of the Service includes the ability to enter into agreements and/or to make transactions electronically. This feature of the Service is referred to as the “Marketplace”. The use of the Marketplace can be configured, and Customer may disable use of the Marketplace by some or all of its Authorized Users. CUSTOMER ACKNOWLEDGES THAT WHEN AN AUTHORIZED USER INDICATES ACCEPTANCE OF AN AGREEMENT AND/OR TRANSACTION ELECTRONICALLY WITHIN THE MARKETPLACE, THAT ACCEPTANCE WILL CONSTITUTE CUSTOMER’S LEGAL AGREEMENT AND INTENT TO BE BOUND BY AND TO PAY FOR SUCH AGREEMENTS AND TRANSACTIONS. THIS ACKNOWLEDGEMENT THAT CUSTOMER INTENDS TO BE BOUND BY SUCH ELECTRONIC ACCEPTANCE APPLIES TO ALL AGREEMENTS AND TRANSACTIONS CUSTOMER ENTERS INTO THROUGH THE SERVICE, SUCH AS ORDERS, CONTRACTS, STATEMENTS OF WORK, AND NOTICES OF CANCELLATION.

9. Suspension

9.1 Kronos may suspend the Service if any amount that Customer owes Kronos is more than thirty (30) days overdue. Kronos will provide Customer with at least seven (7) days prior written notice that the Customer’s account is overdue before Kronos suspends the Service. Upon payment in full of all overdue amounts, Kronos will immediately restore the Service.

9.2 Customer is responsible for complying with the AUP. Kronos and its third party cloud service provider reserve the right to review Customer’s use of the Service and Customer Data for AUP compliance and enforcement. If Kronos discovers an AUP violation, and Kronos reasonably determines that Kronos must take immediate action to prevent further harm, Kronos may suspend Customer’s use of the Service immediately without notice. Kronos will contact Customer when Kronos suspends the Service to discuss how the violation may be remedied, so that the Service may be restored as soon as possible. If Kronos does not reasonably believe it needs to take immediate action, Kronos will notify Customer of the AUP violation. Even if Kronos doesn’t notify Customer or suspend the Service, Customer remains responsible for any such AUP violation. Kronos will restore the Service once the AUP violation is cured or as both Parties may agree.

10. Termination

Section 10.1. Types of Termination

10.1.1 For Convenience. Customer may terminate the Service and this Section K for convenience upon ninety (90) days prior written notice. Customer may terminate Seasonal Licenses upon at least sixty (60) days prior written notice before the start of a Renewal Term.

10.1.2 Non-renewal. Either Party may terminate the Service upon at least sixty (60) days prior written notice before the start of the Renewal Term.

10.1.3 For Cause. Either Party may terminate the Service and this Section K if the other Party fails to perform any material obligation under this Section K, and such Party is not able to cure the non-performance within thirty (30) days of the date such Party is notified by the other Party of such default.

10.1.4 For Bankruptcy. If either Party: (i) becomes insolvent, (ii) makes a general assignment for the benefit of our creditors, (iii) is adjudicated as bankrupt or insolvent, or (iv) has a proceeding commenced against it under applicable bankruptcy laws, the other Party may ask for a written assurance of future performance of a Party’s obligations under this Agreement. If an assurance that provides reasonable evidence of future performance is not provided within ten (10) business days of a written request, the requesting Party may immediately terminate this Agreement upon written notice.

Section 10.2 Effects of Termination

If the Section K is terminated for any reason:

- a. All Fees will be paid by Customer for amounts owed through the effective date of termination.
- b. Any Fees paid by Customer for the Service not rendered prior to the effective date of termination will be credited against Customer's account, with any remaining amounts refunded to Customer within thirty (30) days of the effective date of termination.
- c. Customer's right to use the Service will end as of the effective date of termination. Notwithstanding such termination, Customer will have thirty (30) days after the effective date of termination to access the Service for purposes of retrieving Customer Data through tools provided by Kronos that will enable Customer to so extract Customer Data. If Customer requires a longer period of access to the Service after termination to retrieve Customer Data, such access will be subject to additional Fees. Extended access and use of the Services will be subject to the terms of this Section K.
- d. Kronos will delete Customer Data after Customer's rights to access the Service and retrieve Customer Data have ended. Kronos will delete Customer Data in a series of steps and in accordance with Kronos' standard business practices for destruction of Customer Data and system backups. Final deletion of Customer Data will be completed when the last backup that contained Customer Data is overwritten.
- e. Kronos and Customer will each return or destroy any Confidential Information of the other Party, with any retained Confidential Information remaining subject to this Section K.
- f. Provisions in this Section K which by their nature are intended to survive in the event of a dispute or because their obligations continue past termination will so survive.

11. Indemnification

11.1 Kronos will defend the Customer Indemnified Parties, from and against any and all Claims alleging that the permitted uses of the Service, Technology or Applications infringe or misappropriate any legitimate copyright or patent. Kronos will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including, without limitation, reasonable attorneys' fees) actually awarded to a third party by a court of applicable jurisdiction as a result of such Claim, or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Service by reason of infringement or misappropriation of any such copyright or patent, or if in Kronos' opinion, the Service is likely to become the subject of a successful claim of infringement or misappropriation, Kronos (at its option and expense) will use commercially reasonable efforts to either (a) procure for Customer the right to continue using the Service as provided in the Section K, or (b) replace or modify the Service so that the Service becomes non-infringing but remains substantively similar to the affected Service. Should neither (a) nor (b) be commercially reasonable, either Party may terminate the Agreement and the rights granted hereunder, at which time Kronos will provide a refund to Customer of the PEPM Fees paid by Customer for the infringing elements of the Service covering the period of their unavailability.

11.2 Kronos will have no liability to indemnify or defend Customer to the extent the alleged infringement or misappropriation is based on: (a) a modification of the Service undertaken by anyone other than Kronos, or not undertaken at Kronos' direction and in accordance with such direction; (b) use of the Service other than as authorized by this Section K; or (c) use of the Service in conjunction with any equipment, service or software not provided by Kronos, where the Service would not otherwise infringe, misappropriate or otherwise become the subject of the Claim.

11.3 Customer shall be responsible and liable for all damages and costs of Kronos arising out of any and all Claims alleging that: (a) the Configurations violate any law applicable to the rights of an Authorized User; (b) Customer's modification or combination of the Service with other services, software or equipment not furnished by Kronos, infringes or misappropriates any copyright or patent, provided that such modification or combination is the cause of such infringement and was not authorized by Kronos in writing; or, (c) a claim that the Customer Data or its collection or use by Customer violates the AUP or Applicable Laws.

11.4 The Indemnified Party will provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party will be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party will have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party will not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other Party. The Indemnified Parties will cooperate fully (at the indemnifying party's request and expense) with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

12. Extent and Limitations of Liability

12.1 EXCEPT FOR KRONOS' INDEMNIFICATION OBLIGATIONS EXPRESSLY SET FORTH IN SECTION 11 ABOVE, THE TOTAL AGGREGATE LIABILITY OF KRONOS TO CUSTOMER OR TO ANY THIRD PARTY IN CONNECTION WITH THIS AGREEMENT WILL BE LIMITED TO ACTUAL AND DIRECT DAMAGES PROVEN BY CUSTOMER, SUCH DAMAGES NOT TO EXCEED AN AMOUNT EQUAL TO THE TOTAL NET PAYMENTS RECEIVED BY KRONOS FOR THE SERVICE IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE IN WHICH THE CLAIM ARISES.

12.2 **NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES.** NEITHER PARTY WILL BE LIABLE FOR THE COST OF ACQUIRING SUBSTITUTE OR REPLACEMENT SERVICES. NEITHER PARTY WILL BE LIABLE FOR ANY LOST OR IMPUTED PROFITS OR REVENUES OR LOST DATA RESULTING FROM DELAYS, NONDELIVERIES, MISDELIVERIES OR SERVICES INTERRUPTION, HOWEVER CAUSED, ARISING FROM OR RELATED TO THE SERVICE OR THIS AGREEMENT. THESE LIMITATIONS APPLY FOR ANY REASON, REGARDLESS OF ANY LEGAL THEORY AND FOR WHATEVER REASON LIABILITY IS ASSERTED.

13. Changes

The information found in any Exhibit (or at any URL referenced in this Section K) may change over the Term. Any such change will be effective as of the start of the next Renewal Term after such change is announced or published by Kronos.

14. Feedback

From time to time, Customer may provide Feedback. Kronos has sole discretion to determine whether or not to undertake the development of any enhancements, new features or functionality contained in or with Feedback. Customer hereby grants Kronos a royalty-free, fully paid up, worldwide, transferable, sublicensable, irrevocable, perpetual license to use, copy, distribute, transmit, display, perform, create derivative works of and otherwise fully exercise and commercially exploit the Feedback for any purpose

in connection with Kronos' business without any compensation to Customer or any other restriction or obligation, whether based on intellectual property right claim or otherwise. For the avoidance of doubt, no Feedback will be deemed to be Customer Confidential Information, and nothing in this Section K limits Kronos' right to independently use, develop, evaluate, or market products or services, whether incorporating Feedback or otherwise.

Unless otherwise agreed to on an Order Form, fees shall be invoiced as incurred. For each Order Form, the billing period of the fees will start as set forth in an Order Form and will continue for the time period indicated as the Initial Term on the Order Form. Customer will pay the fees on the payment terms indicated on the Order Form via ACH or mail, or as otherwise set forth in an Order Form. Unless expressly provided in this Section L, Customer payments are non-refundable.

2.2 All undisputed invoices and expense reimbursements are due within thirty (30) days of Customer's receipt of invoice. All disputes regarding invoices shall be made by Customer in good faith within thirty (30) days of Customer's receipt of invoice.

2.3 Kronos may utilize a script, program, sequence of instructions or functional equivalent to determine an accurate number of personnel using or having access to the Applications. The results of, and information obtained from, the electronic analysis shall be subject to the Confidential Information section outlined in this Section A.

2.4 At the expiration of the Initial Term, and at the expiration of each Renewal Term, the Services will automatically renew for a Renewal Term. For each Renewal Term, Kronos may increase the fees by no more than four percent (4%) over the previous year's fees for the same Applications and the same licensed quantity and employee type. The increased fees will be set forth in the applicable invoice.

2.5 Kronos will provide the Services to Customer during the entire Initial Term and each Renewal Term. Customer will pay for the Services for the entire Initial Term and each Renewal Term.

2.6 Kronos may suspend the Services if any undisputed amount that Customer owes Kronos is more than thirty (30) days overdue. Upon payment in full of all overdue amounts, Kronos will promptly restore the Services.

3. Term, Termination and Effects of Termination

3.1 Term of an Order Form. The Initial Term of an Order Form will be as set forth in such Order Form. Following the Initial Term of an Order Form, such Order Form will automatically renew as set forth in the Order Form (each, a "Renewal Term") until such time as either party provides the other with written notice of termination; provided, however, that: (a) such notice be given no fewer than sixty (60) calendar days prior to the last day of the then-current term and (b) any such termination will be effective as of the date that would have been the first day of the next Renewal Term. Unless terminated as provided in the Agreement, this Order Form shall remain in effect as long as the Agreement is in effect.

3.2 Termination. If either Party materially breaches any of its duties or obligations hereunder and such breach is not cured, within thirty (30) calendar days after written notice of the breach, which such notice shall contain reasonably sufficient detail regarding the alleged breach, then the non-breaching Party may terminate the applicable Order Form adversely affected by such breach.

Each Order Form will reference this Agreement, specify the type, quantity, and price of the offerings being purchased, payment terms, and be signed by the Parties. Kronos may fulfill its obligations related to certain services through its Kronos's affiliates and parent company. Customer acknowledges and agrees that the right to use the Services is limited based upon the number of employees licenses as identified on the Order Form, and Customer's payment of the corresponding Subscription Fees identified on the Order Form.
