REPORTS

Judge's Comments - Hon. Leanne Mayberry, Superior Court Judge:

Expressed concern with Buzz Balls. There seems to be a rise with youth and DUIs and wondering if this is a trend associated with Buzz Balls. Their shape, marketing, and assortment of flavors appeals to youth. These contain approx 15% alcohol by volume. She has seen these in stores located near the checkout rather than with the alcohol. Judge Mayberry read an article pertaining to a 19yr old in a DUI crash and Buzz Balls were found in the vehicle. This is a potential educational opportunity for the Commission as well as a means for the Commission in the impact the court is seeing, if there is a campaign already in place around this and how we may work with community partners such as TASK to help support our youth and the courts.
