El Dorado County Board of Supervisors:

District I-Ron Mikulaco

District II-Shiva Frentzen

District III-Brian Veerkamp

District IV-Michael Ranalli

District V-Sue Novasel

Dear People:

I am a resident of Meyers (off Upper Truckee) and have been for most of the thirty years I've resided in Tahoe. During the entire time the responsiveness of the board of supervisors and the city of South Lake Tahoe to the needs and desires of the majority of the citizens has been a sad joke. I see nothing in the Meyers plan or the board's reaction to resistance to it to change that assessment.

Sincerely

George Drake
