The Board of Supervisors is concerned that written information submitted to the Board the day of the Board meeting may not receive the attention it deserves. The Board Clerk cannot guarantee that any FAX, email, or mail received the day of the meeting will be delivered to the Board prior to action on the subject matter.

The Board meets simultaneously as the Board of Supervisors and the Board of Directors of the Air Quality Management District, In-Home Supportive Services, Public Housing Authority, Redevelopment Agency and other Special Districts.

For Purposes of the Brown Act § 54954.2 (a), the numbered items on this Agenda give a brief description of each item of business to be transacted or discussed. Recommendations of the staff, as shown, do not prevent the Board from taking other action.

Materials related to an item on this Agenda submitted to the Board of Supervisors after distribution of the agenda packet are available for inspection during normal business hours in the public viewing packet located in Building A, 330 Fair Lane, Placerville or in the Board Clerk's Office located at the same address. Such documents are also available on the Board of Supervisors' Meeting Agenda webpage subject to staff's ability to post the documents before the meeting.

PROTOCOLS FOR PUBLIC COMMENT

Public comment will be received at designated periods as called by the Board Chair.

Except with the consent of the Board, individuals shall be allowed to speak to an item only once.

On December 5, 2017 the Board adopted the following protocol relative to public comment periods:

Time for public input will be provided at every Board of Supervisors meeting. Individuals will have three minutes to address the Board. Individuals authorized by organizations will have three minutes to present organizational positions and perspectives and may request additional time, up to five minutes. At the discretion of the Board, time to speak by any individual may be extended.

Public comment on certain agenda items designated and approved by the Board may be treated differently with specific time limits per speaker or a limit on the total amount of time designated for public comment. It is the intent of the Board that quasi-judicial matters have additional flexibility depending upon the nature of the issue.

Individual Board members may ask clarifying questions but will not engage in substantive dialogue with persons providing input to the Board.

If a person providing input to the Board creates a disruption by refusing to follow Board guidelines, the Chair of the Board may take the following actions.

Step 1. Request the person adhere to Board guidelines. If the person refuses, the Chair may ask the Clerk to turn off the speaker's microphone.

Step 2. If the disruption continues, the Chair may order a recess of the Board meeting.

Step 3. If the disruption continues, the Chair may order the removal of the person from the Board meeting.
