There are MANY reasons to vote NO REZONE in EDH on CEDHSP!

We know YOU are aware that over 5,450 citizens of EDH have signed a petition to stop the old golf course Rezone to aid Parker construction in building on OUR open space. He may own it, but please do as your constituents ask and keep it zoned as is, so future generations can enjoy the hills, grass and oak trees vistas.

We know YOU are aware of the meeting January 13th, 2020 at District Church in EDH where over 500 Citizens attended and spoke unanimously in opposition to rezoning this golf course to accommodate Parker's building ambitions. Nobody spoke in favor. Parker and many of you were in attendance.

We know YOU are aware 91% of the voters voted NO to the REZONE in 2015.

We know YOU are aware that this abandoned golf course is at the gateway to EDH and exemplifies why it's so desirable to live here. Getting away from congested urban areas and enjoying open spaces, green hills and oak tree views. That's why. Don't help Parker construction RUIN that!

We know YOU are aware that its current zoning "open space recreation" is inviting Parker to give back to the community by installing a 9 hole golf course, a bike path, sport fields or open space stuff like that. He despises this community and is pressuring YOU to accommodate his company's desire to build on all spaces in spite of awful aesthetics and against the community's will.

We know that YOU know our ONE high school is already impacted, sending kids to other high schools. This worsens that situation. Please care about YOUR EDH community, vote NO to the REZONE.

We know that YOU know traffic snafus that are occurring now will be complicated even further with 1000 dwellings in this little space. Keep it OPEN. No to REZONE for Parker's benefit... YOU work for US! Parker has other places he already owns...he can build there.

Knowing all of the above, WHY would anyone approve this project to ruin El Dorado Hills open spaces entryway? Please don't allow Parker to contaminate your good judgement. Don't be pressured into doing Parker Constructions will. Listen to the folks who LIVE here.

Please vote NO REZONE on this to preserve the open space in the heart of El Dorado Hills.
