KSSP Background, Purpose, and Goals

Kinship Support Services Program (KSSP) Background

Assembly Bill 1193 (Statutes of 1997, Chapter 794) appropriated funds for the California Department of Social Services (CDSS) to conduct a Kinship Support Services Program. This program provides funds for the planning, start-up, and expansion of kinship support services programs in California counties. These programs are required to provide community-based family support services to relative caregivers, to the court dependent children placed in their homes and to relative caregivers of children who are at risk of dependency or delinquency. The program is also mandated to provide post-permanency services to relative caregivers who have become the legal guardian or adoptive parent of formerly dependent children. The legislation provides for Technical Assistance ("TA") to the KSSP and funds for State administration of the program.

The Purpose And Goals Of The KSSP Are To:

- A. Establish a family support program of services for the following target population:
- Relative caregivers and the children/teens placed in their homes by the juvenile court; and/or
 - Relative caregivers and the children/teens that are living with them who are at risk of dependency or delinquency; and/or
 - Relative caregivers who are the legal guardian or adoptive parent of formerly dependent children/teens; and/or
 - Relative caregivers with children/teens in voluntary placements.
 - a. These services should:
 - Result in improved outcomes related to safety, permanence, and well-being for the children receiving services; and
 - Reduce or eliminate the need for juvenile court jurisdiction; and
 - Ensure caregivers understand options for permanency, such as guardianship or adoption, and the resources available to support permanency such as the Kinship Guardianship Assistance Payment (Kin-GAP) Program and the Adoption Assistance Program; and
 - Ensure that children/teens receive necessary services to transition to adulthood, i.e., Independent Living Program (ILP) services; and
 - Ensure that family ties are maintained by:
 - ✓ Maintaining children in the home of relatives when they cannot live safely with their parents; and
 - ✓ Supporting placement of siblings together; and
 - ✓ Placing American Indian children with caregivers prioritized by the Indian Child Welfare Act (ICWA); and
 - Increase a relative caregiver's capacity to obtain and maintain employment by the provision of supportive services.
- B. Create incentives for blended funding and increased collaboration among service providers, stakeholders, and the County's Child Welfare Agency that result in:
- Testing the feasibility of new financing and reimbursement mechanisms; and/or
 - Reduced foster care caseloads; and/or
 - Reduced public funding for such services.
- C. Collect and report data regarding the provision of KSSP services that achieve improved outcome goals related to safety, permanence, and well being.
