To the Board of Supervisors:

Please pass this resolution. I believe the most important thing for this county is that we try to find some consensus on the issue of covid restrictions. I am so tired of the divisiveness.

Thank you,

PLEASE adopt the Healthy Communities Resolution! We believe that the citizens of our county (and country) should be in charge of their own health risk assessment. Too many small businesses are going to go under if we are forced to stay completely closed. Our small restaurant (The Lake House in South Lake Tahoe) can't hold out much longer!

Thanks,
