Correction

I have been a resident since 1988. Sorry for the typo.

Regards,

Mary Levernier

> I must reiterate. The roads cannot handle more traffic. Especially El Dorado Hills Blvd. Anyone who says the roads can handle increased traffic hasn't driven on them in the last two years. The county gives us weak patches that don't last or a bike trail that is not needed. When they do anything at all.

> The school's can't handle parking as it is today. Frankly, shame on the board for accepting the traffic / road report as written. The county stopped us from incorporating and then turned their back on what the majority of the residents need.
