In accordance with Section 5.9(d) of the County's Procurement Policy, the Community Development Services, Department of Transportation, Fleet Services Unit requests exemption from competitive bidding to procure two (2) Sheriff Jail Transport Vehicles by using California State Contract #1-18-23-23 which went into effect May 1, 2018 and expires April 30, 2020.

A copy of the State's issued contract, including all referenced attachments, is attached for review.

These vehicles were slated for replacement in the FY 2017/18 budget and were ordered without the required 3rd row seating in error. The vehicles sent in FY 2017/18 were used to replace other vehicles in the Fleet but the Sheriff's Office still needs the current Transport vehicles to be replaced.
