Why do you seek appointment? Provide a voice for the park and recreation needs of the El Dorado Hills community as it applies to county services and share my experiences with the past growth and development of El Dorado Hills' recreation services to help meet the future needs of all of El Dorado County.	
Additional Information The El Dorado Hills Community Services District recently acquired the first of four parcels at Bass Lake in El Dorado Hills. EDHCSD Board of Directors envision this 200+ acre property to become a regional park and recreation resource serving the Western Slope of El Dorado County with a primary focus on Outdoor Education. To obtain its maximum potential success a variety of partners are required, not the least of which should be the County of El Dorado. School districts, colleges, other park and recreation agencies, conservation organizations, local businesses, and many more individuals and organizations will contribute to the planning and development of this unique property. I am very interested in seeing this come to fruition.	

If known, indicate the member of the Board of Supervisors who will receive a copy of this application
