Doing Business As
El Dorado Hills Fire Department**

AGREEMENT FOR SERVICES #7688

THIS AGREEMENT, made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County"), and El Dorado Hills County Water District, a County water district organized under Division 12, Part 2, Chapter 5, Section 30320 of the Water Code of the State of California, doing business as the El Dorado Hills Fire Department, whose address is 1050 Wilson Boulevard, El Dorado Hills, California 95762 (hereinafter referred to as "District");

R E C I T A L S

WHEREAS, County has adopted Chapter 8.09 of the County Codes and Ordinances, titled "Vegetation Management and Defensible Space;" finding and declaring that the uncontrolled growth and/or accumulation of weeds, grasses, hazardous vegetation and combustible materials or obstructions on sidewalks, streets, and on land or lots within the County is dangerous or injurious to neighboring property and the health, safety, and welfare of the residents of the County, and that such growth and accumulation constitute a public nuisance in that it creates fire hazards, reduces the value of private property, promotes blight and deterioration, invites plundering, constitutes an unattractive nuisance and creates a hazard to the health, safety, and general welfare of the public;

WHEREAS, County is responsible for enforcing Chapter 8.09 of the County Codes and Ordinances and has established a program of property inspections to determine compliance with the ordinance, whereby County and California Department of Forestry and Fire Protection (CAL FIRE) collaborate to identify high-risk areas in which to focus inspection efforts annually (hereinafter referred to as "County Emphasis Areas" or "CEAs");

WHEREAS, District is duly organized pursuant to the California County Water District Law (Water Code §§ 30000-3090) and operates a Fire Protection District pursuant to Water Code § 31120 and the Fire Protection District Law of 1987 (Health & Safety Code, §§ 13800-13970);

WHEREAS, pursuant to Chapter 8.09, the chief of a fire department within El Dorado County, or his or her designee, is authorized to conduct inspections of properties subject to the ordinance, recommend abatement, and refer violations to County;

WHEREAS, County has determined that the provision of fire prevention inspection services within the scope of County Chapter 8.09 by District are in the public's best interest and these services are more economically and feasibly performed by District in accordance with El Dorado County Codes and Ordinances, Sections 3.13.030(E), by El

Dorado County Charter, Section 210(b)(6) and/or Government Code Section 31000;

NOW, THEREFORE, County and District mutually agree as follows:

ARTICLE I

Scope of Work: District agrees to furnish, at District's own cost and expense, all personnel, equipment, tools, materials, and services necessary to perform the services and tasks required under this Agreement.

Services to be performed:

1. District shall attempt to complete an inspection of all properties within all CEAs determined by the contract administrator on behalf of the County generally during the timeframes identified. District shall be responsible for inspecting properties within each CEA subject to County Vegetation Management and Defensible Space Chapter 8.09, that are located in the following CEAs in the County:
 - A. Quarter 1 (July-September) – Kelsey area
 - B. Quarter 2 (October – December) – Bassi Road area
 - C. Quarter 3 (January – March) – Texas Hill area
 - D. Quarter 4 (April – May) – Outingdale area

The list of parcels to be inspected in each CEA shall be approved by Contract Administrator within the first month of each Quarter.

2. District shall investigate citizen complaints received by the County concerning violations of Chapter 8.09 in all areas of the County west of the Strawberry area.
3. District shall document such inspections using forms provided by County, or similar forms approved by the County, and shall record inspection data through the use of the data collection application currently in use by the County.
4. District shall conduct no less than one (1) community meeting in each CEA to be inspected (either in person or virtually), prior to conducting inspections, for property owners and resident in the CEA that provides education on the steps that property owners can take to reduce the wildfire risk to their property. District shall take steps to promote attendance at the community meetings and provide signage and education materials for these meetings.
5. District shall conduct at least one (1) inspection and shall not be obligated to conduct more than three (3) inspections of each subject property. With the exception of one initial notice of duty to abate to be sent by County to property owners within the CEAs, District shall be responsible for all notices and communications related to such inspections, up to and not including notices to correct or citations.
6. District shall attempt to complete an inspection of all properties in the CEA on behalf of the County. When access to a property is obstructed by a gate or other

barrier to complete the inspection the District shall send a written notice to the property owner, via certified mail, demanding access to the property for the purpose of completing this inspection. If the property owner continues to refuse access to the property for this inspection the District shall notify the County within thirty (30) calendar days of this continued refusal by the owner via a written report.

7. District shall provide a copy of each inspection report to the property owner. For non-compliant properties, such report shall include a list of corrective actions to be taken by the property owner to bring the property into compliance, as well as a date for re-inspection. District shall not be required to conduct more than three (3) inspections on any one property.
8. If compliance has not been achieved after three (3) inspections, District may, at its discretion and at its own cost, continue to work with the property owner to achieve compliance, or refer the property to County for further action.
9. District shall provide to County a monthly report, in a format approved by the County, within ten (10) business days following the last day of each month, which includes, at a minimum, a list of properties inspected, the number of inspections conducted on each property, and the status of the property (compliant or non-compliant).
10. Within sixty (60) days following the expiration of this Agreement, District shall prepare and submit a final report summarizing the program tasks and deliverables that were completed.
11. All reports shall be submitted to County's Program Manager within the Office of Wildfire Preparedness and Resilience (OWPR) or designee unless otherwise specified.

District shall perform the services and tasks required under this Agreement in a safe, professional, skillful, and workmanlike manner. District is responsible for ensuring that its employees, as well as any subcontractor if applicable, perform the services and tasks required under this Agreement accordingly.

ARTICLE II

Term: This Agreement shall become effective upon final execution by both parties hereto and shall expire on June 30, 2024.

ARTICLE III

Compensation for Services: For services provided herein, including any deliverables that may be identified herein, County agrees to pay District a fixed fee of \$16,250 per month, in arrears. Payment shall be made within forty-five (45) days following County's receipt and approval of an invoice consisting of the monthly report identified in ARTICLE I, Scope of Work, of this Agreement.

The total amount of this Agreement shall not exceed \$195,000. Inclusive of all costs, taxes, and expenses.

Itemized invoices shall follow the format specified by County and shall reference this Agreement number on their faces. Copies of documentation attached to invoices shall reflect District's charges for the specific services billed on those invoices.

Invoices shall be mailed to County at the following address:

County of El Dorado
Office of Wildfire Preparedness and Resilience
330 Fair Lane, Building A
Placerville, California 95667
Attn.: OWPR Program Manager

or to such other location as County directs.

In the event that District fails to deliver, in the format specified, the deliverables and reports required by this Agreement, County at its sole option may delay the payment for the period of time of the delay, cease all payments until such time as the required deliverables or progress reports are received, or proceed as set forth below in ARTICLE XII, Default, Termination, and Cancellation, herein.

ARTICLE IV

Taxes: District certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes or fees owed by District to County. District agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE V

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VI

District to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and District, and District may perform similar work or services for others. However, District shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with District's responsibilities or hinder District's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE VII

Confidentiality: District shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. District, and all District's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any

time, any said confidential information, other than to County's Office of Wildfire Preparedness and Resilience for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE VIII

Assignment and Delegation: District is engaged by County for its unique qualifications and skills as well as those of its personnel. District shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE IX

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. District is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. District exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by District. Those persons will be entirely and exclusively under the direction, supervision, and control of District.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which District performs the work or services for accomplishing the results. District understands and agrees that District lacks the authority to bind County or incur any obligations on behalf of County.

District, including any subcontractor or employees of District, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. District shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes District. District shall not be subject to the work schedules or vacation periods that apply to County employees.

District shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that District provides for its employees.

District acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE X

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XI

Audit by California State Auditor: District acknowledges that if total compensation under this Agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, District shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records, and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XII

Default, Termination, and Cancellation:

- A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable Agreement provision.
 2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate

the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and District shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to District, the excess costs to procure from an alternate source.
2. County shall pay District the sum due to District under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due District under this Agreement and the balance, if any, shall be paid to District upon demand.
3. County may require District to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by District in this Agreement proves to have been false or misleading in any respect.
 3. District fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 4. A violation of ARTICLE XIX, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of District.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event District ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to District, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County

be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, District shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

ARTICLE XIII

Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XV

Indemnity: To the fullest extent permitted by law, District shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of District or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the sole negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of District to

indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XVI

Insurance: District shall provide proof of a policy of insurance satisfactory to County's Risk Management Division and documentation evidencing that District maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of District as required by law in the State of California.

- E. District shall furnish a certificate of insurance satisfactory to County's Risk Management Division as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to County's Risk Management Division or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
- G. District agrees that the insurance required herein shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, District agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and District agrees that no work or services shall be performed prior to the giving of such approval. In the event District fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without thirty (30) days prior written notice to County; and

2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. District's insurance coverage shall be primary insurance in respect to County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be in excess of District's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions in respect to County, its officers, officials, employees, and volunteers; or District shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to County, its officers, officials, employees, or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. District's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Agreement.
- N. In the event District cannot provide an occurrence policy, District shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. The certificate of insurance shall meet such additional standards as may be determined by the contracting County department, either independently or in consultation with County's Risk Management Division as essential for protection of County.

ARTICLE XVII

Force Majeure: Neither party will be liable for any delay, failure to perform, or omission under this Agreement that is due to any cause that it is beyond its control, not due to its own negligence, and cannot be overcome by the exercise of due diligence. In that event, the affected party will:

1. Promptly give written notice to the other of the fact that it is unable to so perform and the cause(s) that is beyond its control.

The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XIX

County’s Contract Administrator shall at the time this Agreement is executed make an initial determination whether or not the individuals who will provide services or perform work pursuant to this Agreement are Districts within the meaning of the Political Reform Act and County’s Conflict of Interest Code. Statements of economic interests are public records subject to disclosure under the California Public Records Act.

District covenants that during the term of this Agreement neither it, or any officer or employee of District, has or shall acquire any interest, directly or indirectly, in any of the following:
