Re: Annual CPI Adjustments

February 26, 2008

Dear Ms. Silva,

We are formally requesting a CPI adjustment for our hauling rates as well as our Transfer Station gate rates. We have attached the CPI calculator as the reference. The State of California Consumer Price Index for this past year is 3.3%.

In addition, we are formally requesting the review and approval of our fuel surcharge. The month of the year we agreed upon last year for the annual review of this index, is April which means the index report is available toward the end of May.

We appreciate your co-operation and look forward to hearing from you. If you have any questions or need further information, please feel free to contact me at (530) 295 2816.

Sincerely,

Susan L. Farris
