Item	Description
QUOTATION	EL DORADO COUNTY SHERIFF - CSI VEHICLE PREVIOUS PURCHASE ORDER # 21001194 CUSTOMER SUPPLIED CHASSIS (CHEVROLET 5500HD) BUILD TIME: 210 DAYS AFTER RECEIPT OF CHASSIS CUSTOM ALUMINUM VAN BODY: 12'6"L x 8'W x 7'H TriVan Aluminum Van Body:
DESCRIPTION	GENERAL DESCRIPTION: Customer supplied Chevy 5500HD 4WD, with TriVan 12' custom body for Crime Scene Investigation. Van body to have exterior compartments on both sides. SnapLock construction, skirted, 12ga walk-on roof, kickover. of Snap Lock walls, full skirting flush to bottom of truck cab. Roof is walk-on design with 1 roof a/c and 2 lexan skylights. 2" foam urethane throughout, with full interior lined in white aluminum sheeting. Branch guard deflector for a/c unit. Body design includes a 5kW Cummins Quiet diesel generator plumbed to chassis fuel supply, installed in a soud-attenuated compartment. Blue Sea combo 12V / 110V service panel with 30A shore power inlet, transfer switch and interior/exterior power outlet receptacles, and automatic transfer switch. All lighting is 12V LED (interior dome lights, scene/work lights, red/blue LED emergency lighting) controlled in body or in cab. All interior cabinets are aluminum, painted light grey with spring hold opens. Interior of van has a wall-mount jump-seat on front wall plus work counter. Curbside exterior features a long stainless 9' fold out counter. All exterior compartments are sealed from the outside except the forward PS comp which also has access from the van interior. Solid front wall (no opening into cab). 5 foot long sloped over-cab extension. Aluminum diamondplate flooring sprayed in black Durabed. Entry door at rear is center man-door (with double freezer handle, window and hold-open device) There is an under-body 8' length "possum" compartment. Full width step bumper plus fold out step and Class V hitch with trailer plug and backup camera. Body and roof painted white. Installation onto customer-supplied chassis is included. Includes a full set of AutoCad presentation/layout/design drawings for El Dorado approval prior to build. TriVan responsible to drive-deliver completed truck to Placerville CA.
CHASSIS	CHASSIS INFORMATION: To be ordered separately by El Dorado County and provided to TriVan. TriVan to deliver completed vehicle to Placerville CA. Specifications as follows: Chevy Silverado 5500 4WD Crew Cab, diesel cab-chassis, with dual rear wheels, 84" cab-axle measurement, 19,500 GVWR. Ordered in white.
