FROM: LeeAnne Mila, Agricultural Commissioner

SUBJECT: Retroactive Plumas County MOU for use of Placer County Weight Truck

This memo is to notify you that a retroactive MOU is being requested by the Department of Agriculture for the Placer County Weight Truck agreement with Plumas County.

This request is only for Plumas County and does not change the agreement that El Dorado County has with Placer County. Placer County accidentally let their agreement run out and we are required to sign off as the weights on the weight truck belong to our county. This agreement was received it on 7/10/24 with a rush request from Placer County.
