5. General Provisions

- a. Amendment. No addition to or alteration of the terms of this MOU will be valid unless made in the form of a written amendment, which is formally approved and executed by the governing bodies of each of the parties, or their respective authorized designees.
- b. Further Assurances. Each party agrees to cooperate with the other, and to execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and to take all such other actions as may be reasonably requested of it from time to time, in order to effectuate the provisions and purposes of this MOU.

- d. Severability. The provisions of this MOU are separate and severable. If any provision of this MOU shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired thereby.
