Thank you Suzanne.

I work overnight the night before so finish at 8am but with no sleep. I could do it later in the afternoon that day or possibly at the next meeting - but I do not have that schedule yet. I can send you an available Tuesday as soon as I get it, in the next day or 2.

I appreciate your willingness to try to work with my schedule.

Thank you Judi.

I was intending and hoping to have this meeting with Supervisor Santiago before the appeal to the Board. I have today received a letter from Clerk Allen de Sanchez which states that the

appeal will be considered on Tuesday, January 26th.

Is it possible to have the appeal considered after the meeting with Supervisor Santiago on Feb. 10th? And also is it possible to schedule the appeal when I am not scheduled to work at the Emergency Department at Barton Hospital? It is difficult or impossible for me to change my schedule so I am hoping to schedule the appeal on a Tuesday when I am not working.

Please let me know as soon as possible of your responses to these two questions.

Thank you very much,
Liz Muckerman

Ms. Muckerman,

I will be happy to set you up with a meeting in Tahoe with Supervisor Santiago on a Wednesday, and/or myself, on a Thursday. The board of supervisors meet only on Tuesday, your item can only be heard by the board on that day.

Wednesday, February 10th is available so far with Supervisor Santiago. Let me know if anytime that day works with your schedule.

Dear Ms. Allen de Sanchez and Ms. Harkins,

We do have a copy of the denial letter and several other documents we would like to submit with our appeal. In addition, we would very much like to meet briefly with an assistant to Supervisor Santiago or other representative of the Board of Supervisors before the appeal to review our case and share this information. Please inform us of the procedure for submitting the documents and for setting up a meeting prior to our appeal at the Board's meeting.

I am assuming that our appeal will be presented at one of the Wednesday meetings of the Board of Supervisors. Since I work as an emergency physician at Barton Hospital in South Lake Tahoe and cannot easily change my schedule, I am requesting that our appeal be scheduled for one of the following Wednesdays

when I am not scheduled to work - February 10, February 24 or in March (although I will not have that schedule for another week).

Thank you very much. I look forward to hearing from your office.

Sincerely,

Liz Muckerman and Sten Seemann
