Resolution

Check the following, as applicable. See Application Guidelines and Instructions for more information and examples.

- Applicant acknowledges that a Resolution is uploaded in the application. The Resolution must be approved by its governing body, which authorizes submittal of the application and designates a signature authority. If applicable, applicant has uploaded a Letter of Designation (LOD) designating an additional signature authority(ies).

EPPP

Does your organization and any participants have an Environmentally Preferable Purchasing and Practices (EPPP) Policy?

- Yes, our organization and any participants have an EPPP Policy. Organization refers to a company, business, or the entire city or county applicant, not an individual office or sub-unit of the larger entity.

Program Questions

California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating jurisdictions are charter cities or joint powers authorities that include charter cities, the lead applicant must certify that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this application. If it is determined after award that a participating jurisdiction is a charter city prohibited from receiving state funds for this grant project, the grant will be terminated and any disbursed grant funds shall be returned to CalRecycle.

If any applicant or participating jurisdiction is a charter city or a joint powers authority that contains one or more charter cities, does Labor Code section 1782 prohibit those charter cities from receiving state funding for the project described in this grant application? Check the following, as applicable.

- No. Applicant certifies that no charter cities included in this application are prohibited from receiving state funding for the project described in this grant application.
