SUBSTANCE ABUSE OFFENDER TREATMENT PROGRAM

REFERENCES: ACLA Letter No. 07-08 – FY 2007-08 Initial Allocation for the Substance Abuse and Crime Prevention Act of 2000 and the Preliminary Allocation for the Substance Abuse Offender Treatment Program

This letter advises All County Lead Agencies (ACLA) of their Fiscal Year (FY) 2007-08 final allocations (including Supplemental Allocation) for the Substance Abuse and Crime Prevention Act (SACPA) of 2000, and the Substance Abuse Offender Treatment Program (OTP).

### SACPA

The FY 2007-08 Final SACPA Allocation (Attachment A) is the same amount as the FY 2007-08 Initial Allocation. Some counties have already received full payment of their Initial SACPA Allocation. Other counties received reduced payments due to a proposed reduction in FY 2007-08 SACPA funding in the FY 2008-09 Governor's Budget. The reduction was not adopted for FY 2007-08, so those counties that received reduced payments will receive a payment of the withheld reduction (Attachment B).

The amount of the FY 2007-08 SACPA Final Allocation each county will receive after restoration of the proposed reduction is shown in Attachment B under the column "SACPA Payments Due to Counties."

### SACPA Supplemental

All counties will receive a SACPA Supplemental Allocation (Attachment A). The SACPA supplemental funds were accrued through audit recoveries, voluntary county returns of unspent funds, and the redistribution of the remaining 25 percent of funds withheld from the FY 2007-08 Initial SACPA Allocation.
