Dear Ellets homes, Home Aid, and Eldorado country team

I am writing this letter to express my deepest gratitude for the incredible support you have given to me and my family and to the others in the community after the devastating loss of our home in the caldor fire.

Loosing our home was one of the most difficult experiences we have ever faced. In the midst of that hardship, your kindness generosity and willingness to help us rebuild have meant so much than words can fully express, because of your efforts, what was once felt overwhelming and uncertain has been replaced by HOPE and a path forward.

You're dedication to helping family like ours rebuild not just a house, but a sense of stability and belonging is truly inspiring. To the work you are all doing is changing lives and I Bob Meyer and I'm sure we are all so thankful to be among those you have helped.

The insurance company gave me a little over 200 thousand, all the quotes I received by builders were 350 to 400 thousand some 500 I couldn't sign with one of them ,it was just to much, even though the insurance company would of given me a extra 40 thousand.

Please know how much we appreciate your time and efforts and compassion. This new home represent far more than walls and a roof it represents a fresh start, made possible by your generosity.

With heartfelt thanks
Bob Meyer
