The printers at the PHF do not work, you may surplus them.

Subject 17" & !9" flat panel displays

Mental Health has 4 X 17" flat panel displays down underneath PHF. Does anyone want them? Or can I surplus them?

I, Public Health, have 1 X 17", and 3 X 19" flat panel displays. Does anyone want these, or can I surplus them?

I pulled all the hard drives from the surplus Optiplex GX280 and an old IBM underneath PHF. I'll be bringing those to County I.T for destruction.

Kevin, you have 3 printers underneath PHF. Are you saving them, or can they be SURPLUS'd? Do they work?

THANKS
