Upon designation of a parcel or parcels annexed into the CFD from the Future Annexation Area as a Future Improvement Area, the Unanimous Consent shall include an authorization to incur bonded indebtedness for such Future Improvement Area in a maximum amount which does not cause the bonded indebtedness for the CFD to exceed the Authorization, and which limit shall be set forth in a Unanimous Consent. Such allocation may be made without any requirement for further public hearings, Board action or other additional proceedings, and the County shall include the Unanimous Consent in the records for the CFD.

4. **Bonds.** Bonds in the maximum aggregate principal amount not to exceed a total of \$150,000,000 for all improvement areas are hereby authorized, subject to voter approval, initially allocated as follows: (i) for Improvement Area No. 1, the bonded indebtedness limit is \$105,000,000 and (ii) for land within the Future Annexation Area (the "Future Improvement Area, the bonded indebtedness limit is not to exceed \$45,000,000 (the "Future Improvement Area Indebtedness Limit"), provided that prior to any land in Improvement Area No. 1 becoming Developed Property (as defined in the Rate and Method) and prior to the first sale of bonds, the Auditor-Controller of the County may change the allocation upon receiving the affirmative vote of such owner to the reallocation. The bonds may be issued in such series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Board or its designee shall determine, at the time or times of sale of such bonds; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and each series of the bonds shall have a maximum term of not to exceed forty years.

Indebtedness in the maximum amount set forth above is hereby authorized for Improvement Area No. 1, subject to voter approval. The bonds and other debt may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Board or its designee shall determine, at the time or times of sale of such bonds and other debt; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and other debt and the bonds and other debt or any series thereof shall have a maximum term of not to exceed 40 years.

Indebtedness in the maximum amount set forth above is hereby authorized for the Future Improvement Areas, subject to voter approval evidenced by the applicable unanimous approval form(s). The bonds and other debt may be issued in one or more series and mature and bear interest at such rate or rates, payable semiannually or in such other manner, all as this Board or its designee shall determine, at the time or times of sale of such bonds and other debt; provided, however, that the interest rate or rates shall not to exceed the maximum interest rate permitted by applicable law at the time of sale of the bonds and other debt and the bonds and other debt or any series thereof shall have a maximum term of not to exceed 40 years.

5. **Election.** The proposition of the County incurring the bonded indebtedness and other debt for Improvement Area No. 1 herein authorized shall be submitted to the respective

qualified electors of Improvement Area No. 1, and shall be consolidated with elections on the proposition of levying special taxes within Improvement Area No. 1 and the establishment of an appropriations limit for Improvement Area No. 1 pursuant to Section 53353.5 of the Act. The time, place and further particulars and conditions of such election shall be as specified by separate resolution of this Board.
