Re: Nomination of Linda Grimoldi for Commission on Aging
Board of Supervisors Meeting Agenda for March 22, 2022
Agenda Item 22-0389

Dear Board of Supervisors:

It is my pleasure to write this letter in support of the nomination of Linda Grimoldi to serve on the El Dorado County Commission on Aging. I have resided in El Dorado County for ten years and have known Linda for approximately two of those years. My friendship with Linda began as a result of her community service activities and her inviting me to become a volunteer with the Marshall Hospital Auxiliary. Linda has been a member of the Auxiliary for many years and currently serves as its Membership Chair. I personally have witnessed her helpful interaction with hospital patients and staff. I appreciate her collaborative skills and ability to link people together within the Auxiliary.

Furthermore, on a personal level, Linda cares for her 97-year-old mother, who lives independently. From running errands to attending medical appointments, Linda handles whatever is needed for her mother. I believe this makes Linda uniquely qualified to serve on the Committee on Aging.

Linda Grimoldi is a kind and considerate person who is very passionate about her pursuits. I believe she would be a tremendous addition to the Committee on Aging and believe she would be a great service to our community in that capacity.

Sincerely,

Bernadine Jackalone
