El Dorado County CAPC

Placerville, CA 95667

Dear CAPC members,

Please accept this letter of resignation of my position as a member of El Dorado County CAPC as of June 30, 2011. I have been privileged to serve with each of you at the County level for many years and have been honored to act as the chair for the last two years. I am thrilled to see how much we have grown since our beginnings when we each struggled to find our purpose on the Board and the purpose of CAPC as well. Since that time we have grown to be strong advocates, program initiators, and a voice for all children when needed.

I believe that it is time for me to step aside, let some others come forward with their energy and passion for the children of our County. I will always be available to each of you and supportive of the goals of our CAPC.

Thank you for the wonderful opportunity of working with each of you. To me, El Dorado County became much smaller with so many friends and colleagues across the County.

Best wishes,

A handwritten signature in cursive script that reads "Wendy David". The signature is written in dark ink and is positioned to the right of the typed name "Wendy David".

Dear Elizabeth and CAPC Members,

It is with a heavy heart, that at this time I will need to respectfully decline my reappointment to the CAPC in January 2012. Although the mission of what we represent is indeed my passion. Due to my work obligations, I am often unable to be away from the office to make our meetings, and represent the CAPC as needed.

I treasure the relationships that I have with each of you, and look forward to continuing to support the activities of the CAPC, but in a different capacity.

Sincerely,

Suzy McLoed

Dear Elizabeth and CAPC Colleagues,

It is with mixed feelings that I submit my resignation letter as a community representative of the El Dorado County Child Abuse Prevention Council, effective immediately.

My current employment commitment has become too great for me to effectively fulfill the requirements of my position on the council and I feel it is best for me to make room for someone with the time and energy to devote to the job.

I am very grateful for having the opportunity to serve on the council for so many years as well as to witness and be a part of so many wonderful strides in CAPC. I would like to offer my best wishes to all of the council members as they continue to support the safety and well-being of the children and youth in El Dorado County.

With sincere appreciation,

Dee Cutter

Dear Ms. Evers:

It is my pleasure to recommend Kevin Brown for the position of Board Member for the El Dorado County Child Abuse Prevention Council. In the last ten years we have served together on the El Dorado County Chamber of Commerce Board of Directors, the MORE Board, and several fundraising committees. Kevin is a true leader in our community and is willing to help when needed. As a Scout leader for many years, he always put the needs of his Scouts first, helping many of them to reach the rank of Eagle. And recently he was elected to the El Dorado Union High School District Governing Board where he continues to look out for kids in our community.

I have no doubt Kevin would be an asset to the Child Abuse Prevention Council. I appreciate your considering him for this appointment, and if you would like to discuss his qualifications further, don't hesitate to contact me.

Sincerely,

Vicki L. Barber, Ed.D., Superintendent

Dear Ms. Blakemore,

In response to your ad in the Mountain Democrat, please consider my application in your search for the Community Representative Board Position on the Child Abuse Prevention Council.

I am excited about the opportunity to effect change and actively participate in the educating and serving of El Dorado County families. I am two semesters away from earning a degree in Communication Studies and through those studies, I have acquired skills and confidence to comfortably work with people of all facets of our community. I am currently employed locally and work closely with many different public, private and professional entities. My work experience has enforced my ability to exchange ideas and problem solve. Along with my professional and educational endeavors, I have a very strong advocacy spirit. I have a deep desire to help and make a difference in people's lives and I feel that being part of the Child Abuse Prevention Council will afford me some opportunities to do that.

Thank you for considering me for the position. If you or anyone else wish to schedule an appointment or interview, please feel free to contact me at the above number or email.

Respectfully yours,

Tanya Walker
