WHEREAS, County has determined that the provision of such services provided by Contractor are in the public's best interest, and authorized by El Dorado County Charter, Section 210(b)(6) and/or Government Code Section 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to furnish materials, supplies, parts, equipment, personnel, subcontractors, and services necessary to provide on-call automotive repair and maintenance services for County vehicles in the South Lake Tahoe basin. Services shall include, but not be limited to: preventive maintenance, tune-ups, engine overhauls, smog inspections, windshield and glass repairs or replacements, tire mounting including installation, balancing, studding, and repairs, alignments, minor body repairs, and maintenance and repair of brakes, air conditioning systems, electrical systems, suspension systems, engine cooling systems, transmissions, and clutches. Hazardous materials generated in the performance of services under this Agreement shall be properly disposed of by Contractor in accordance with all federal, state, and local regulations.

Before proceeding with any work under this Agreement, the parties shall identify the specific services to be provided for each work assignment at a meeting, by email, or telephone conference between Contractor and County's Contract Administrator or designee. For each on-call work assignment, Contractor shall provide a written estimate to County's Contract Administrator. The written estimate shall identify the specific vehicle or equipment to be repaired, a description of the work, names of any and all subcontractors, any deliverables, including reports or other documents to be supplied in connection with the work, and a not-to-exceed cost to complete the work. Upon receipt and approval of each written estimate, County's Contract Administrator or designee will sign the written estimate and attach it to an email approval to proceed with the work assignment. Contractor shall not commence work until receiving an email approval to proceed with the work assignment from County's Contract Administrator or designee with the County authorized written estimate attached. No payment will be made for any work performed prior to the issuance of an email approval to proceed for the work assignment and no payment will be made for amounts in excess of the written estimate.

All of the services included in this Article are the responsibility of Contractor, unless specifically described as a task or item of work to be provided by County. Contractor shall be responsible for the supervision, administration, and work performed by any subcontractor for services rendered under this Agreement.

ARTICLE II

Term: This Agreement shall be effective upon execution and shall cover the period of March 23, 2017, through March 22, 2020.

ARTICLE III

Compensation for Services: For services provided herein, including any deliverables that may be identified in individual work assignments issued pursuant to this Agreement, County agrees to pay Contractor upon the satisfactory completion and acceptance of each work assignment. Payment shall be made within forty-five (45) days following County's receipt and approval of itemized invoices detailing the services rendered.

The total amount payable by County for an individual work assignment shall not exceed the amount agreed to in the written estimate, unless County's Contract Administrator amends the work assignment.

For the purposes hereof, the billing rates shall be in accordance with Exhibit A, marked "Fee Schedule," incorporated herein and made by reference a part hereof.

The total amount of this Agreement, inclusive of all costs and work assignments and inclusive of all work of subcontractors and expenses, shall not exceed \$300,000. It is understood and agreed that there is no guarantee that this amount will be authorized under this Agreement through work assignments.

Itemized invoices shall follow the format specified by County and shall reference this Agreement number on their faces. Invoices which include charges for subcontractors or freight fees based on Contractor's cost shall be accompanied by backup documentation to substantiate Contractor's actual costs for the items billed. Copies of documentation attached to invoices shall reflect Contractor's charges for the specific services billed on those invoices. Contractor shall bill County for only one (1) work assignment per invoice. Invoices shall be mailed to County at the following address:

County of El Dorado
Community Development Agency
Transportation Division
2441 Headington Road
Placerville, California 95667
Attn.: Don Spear, Deputy Director
Maintenance and Operations Unit

or to such other location as County directs.

In the event that Contractor fails to deliver the documents or other deliverables required by individual work assignments issued pursuant to this Agreement, County at its sole option may delay the monthly payment for the period of time of the delay, cease all payments until such time as the required deliverables are received, or proceed as set forth herein below in Article XVII, Default, Termination, and Cancellation.

Representatives of County, the California State Auditor, and any duly authorized representative of other government agencies shall have access to any books, documents, papers and records that are pertinent to the Agreement for audit, examination, excerpts, and transactions and copies thereof shall be furnished upon request.

ARTICLE VI

Signed:  Dated: 2/27/17

ARTICLE XI

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto. There shall be no change in Contractor's Project Manager or subcontractors, which shall be established at the issuance of work assignments pursuant to this Agreement, without prior written approval by County's Contract Administrator.

ARTICLE XII

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act, unless authorized by County as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during the term hereof.

ARTICLE XIII

Confidentiality: Contractor shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and representatives including any subcontractors authorized under individual work assignments issued pursuant to this Agreement, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Community Development Agency or to such other person with County's consent for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XIV

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County. Notwithstanding this Article, Contractor is authorized to utilize the specific subcontractors authorized in individual work assignments issued pursuant to this Agreement, for the particular tasks, work and deliverables identified therein. An approved work assignment identifying any authorized subcontractors shall be obtained by Contractor prior to a subcontractor commencing any work under this Agreement. At no time shall County be obligated to pay separately for subcontractor services. Contractor shall require each subcontractor, to the extent of the work to be performed by the subcontractor, to be bound to Contractor by the terms of this Agreement and to assume toward Contractor all of the obligations and responsibilities that Contractor, by this Agreement, assumes toward County.

ARTICLE XV

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XVI

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (Time to Cure), then such party shall be in default. The Time to Cure may be extended at the discretion of the party giving notice. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party

giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the Time to Cure has expired.

- B. Bankruptcy: This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement or any individual work assignment issued pursuant to the Agreement in whole or in part upon seven (7) calendar days' written notice by County for any reason. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates, as set forth in the Notice of Termination provided to Contractor, and for such other services which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the not-to-exceed amount of the work assignment or the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XX

Indemnity: Contractor shall defend, indemnify, and hold County and its officers, agents, employees and representatives harmless against and from any and all claims, suits, losses, damages, and liability for damages of every name, kind, and description, including attorneys' fees and costs incurred, brought for, or on account of, injuries to, or death of, any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to, or in any way arise out of, or are connected with Contractor's services, operations or performance hereunder, regardless of the existence or degree of fault or negligence on the part of County, Contractor, subcontractor(s) and employee(s) of any of these, except for the sole, or active negligence of County, its officers, agents, employees and representatives, or as expressly provided by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XXI

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California.

- E. Contractor shall furnish a certificate of insurance satisfactory to County's Risk Management Division as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to County's Risk Management Division, or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
- G. Contractor agrees that the insurance required herein shall be in effect at all times during the term of this Agreement, inclusive of the guarantee/warranty period specified hereinbelow. In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor shall immediately provide a new certificate of insurance as evidence of the required insurance coverage. In the event Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event. New certificates of insurance are subject to the approval of County's Risk Management Division, and Contractor agrees that no work or services shall be performed prior to the giving of such approval.
- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without prior written notice to County; and
 - 2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured, on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.

- J. Any deductibles or self-insured retentions must be declared to, and approved, by County. At the option of County, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects County, its officers, officials, employees, and volunteers; or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

Contractor warrants and guarantees for a period of one (1) year from the date of invoice that the work is free from all defects due to faulty materials or workmanship and Contractor shall promptly make such corrections as may be necessary, including repairs of any damage to other parts of the work resulting from such defects. County will give notice of observed defects with reasonable promptness. In the event that Contractor should fail to make such repairs, adjustments or other work that may be made necessary by such defects, County may do so and charge Contractor the cost thereby incurred.
- B. If a guaranty exceeding one (1) year is provided by the supplier or manufacturer of any parts or equipment used in the performance of services under this Agreement, then the guarantee for such materials shall be extended for such term. Contractor expressly agrees to act as co-guarantor of such parts, equipment and materials, and Contractor shall supply County with all warranty and guaranty documents relative to parts, equipment and materials incorporated in the services provided and guaranteed by its suppliers or manufacturers.

County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement.
