To whom it may concern,

Please do not grant another extension to the owners of this property. It is time to replace it with something that is not a fire hazard with its boarded-up windows or a building being repeatedly vandalized by break-ins. We need less to worry about not more.

Thank you.

I am urging you, the BOS, not to offer a further extension to the owners of that building!
They have shown no regard for CP or the communities at large by allowing it to degrade to such a problematic level leaving its neighbors to deal with the vermin and debris.
For once, stand with the people who put you in those positions. Say, "no more of this". It is time for corrective actions to be taken now.
