TOP TWO CANDIDATES OPEN PRIMARY and VOTER-NOMINATED OFFICES

What is a Top Two Primary?

A Top Two Primary lets you vote for any candidate (for most races), even if you are not in the same political party. The top two candidates – the ones who get the most votes in the primary – will be on the General Election ballot in November. It became law in 2010 when the voters passed Proposition 14. Before Top Two, each party could have one candidate on the General Election ballot for all party races. Now with Top Two, only two candidates get on the General Election ballot for most races – the ones who get the most votes in the primary – no matter what party they are affiliated with.

What does party preference mean?

Party preference refers to the political party you – or the candidate – is registered with. It's listed next to each candidate's name on the ballot. "None" appears for candidates who are not registered with a party. For example:

JOHN SMITH Party Preference: Democratic
JANE DOE Party Preference: Republican
JEFF JONES Party Preference: None

Do all offices follow the Top Two Rules?

No. The Top Two does **not** apply to elections for President, Party Central Committees, or County Councils.

Can the Top Two candidates be from the same party?

Yes. The Top Two candidates receiving the highest and second-highest number of votes might be from the same party, different parties, or no party. The Top Two candidates will appear on the General Election ballot.

Do I need to register again for each election?

No. Fill out a new Voter Registration card only if you have moved, changed your name, or want to change your party affiliation. You may register to vote on-line at registertovote.ca.gov. If you have any questions regarding your voter registration or the Top Two Primary, please call our office at (530) 621-7480.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE
4TH DISTRICT**

REGINA BATESON

Occupation: Military Security Analyst

Education and Qualifications: Washington, DC is broken, and it's time for a change.

We need a Representative who will stand up for what's right and be a strong, independent voice for our region.

Growing up in Roseville, I learned to value family, freedom, hard work, and honesty. I also learned that in tough times, we all have an obligation to do our part and help others.

After 9/11, I joined the Foreign Service, and I worked to keep us safe from terrorism. Today I'm stepping up to serve again, this time by running for Congress.

Our region is full of good, decent people, and we deserve a Representative who will get real results for us.

I'll fight for good-paying jobs, healthcare, and our public schools. I'll defend Social Security and Medicare. I'll protect our clean air and water and our pristine lakes, rivers, and forests.

I am not a career politician or a Washington insider – I'm a pragmatic problem solver. I'm running to stand up for our families, our community, and our country. I hope you will stand with me.

UNITED STATES REPRESENTATIVE
4TH DISTRICT**

JESSICA MORSE

AGE: 36

Occupation: National Security Strategist

Education and Qualifications: I'm Jessica Morse, a devoted public servant and 5th generation Northern Californian, ready to be the community voice we need in Washington.

My ancestors crossed the Sierra in the 1890's, and my family still protects their beautiful forestland. A daughter of public school teachers, I grew up skiing at Tahoe, eating pie at Apple Hill, and backpacking throughout Yosemite.

From my first job cleaning at a nursing home to advising a four-star admiral at U.S. Pacific Command – I've devoted my life to service. During the year and a half I spent in Iraq, I learned to confront tough challenges head on; I never wasted time assigning blame.

That's the attitude I'll bring to Washington. It's time to solve the common challenges that affect everyone, regardless of party: the threat of wildfire and drought, the need for quality and affordable healthcare, and the demands of improving roads and rural broadband. We all want to see our children safe in their schools, our seniors retiring with dignity, and our basic American bargain restored: if you work hard and do your part, you ought to get ahead.

Together, we can return public service back to politics.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE
4TH DISTRICT**

MITCHELL WHITE

Occupation: Senior Accountant

Education and Qualifications: As a Senior Auditor at Ernst & Young, I saw how our healthcare system is flawed. I authored a healthcare bill to lower insurance premiums and increase competition by prohibiting hospitals from artificially increasing prices. My bill will lead to an efficient free market system with transparent prices. We must restructure Medicare and retirement programs so that our seniors have the best quality healthcare.

Ronald Reagan appointed private sector leaders to implement tax relief, increase productivity and instill pride and morals. As a businessman, I will bring a fresh perspective to our government. If you want someone who can follow the money and solve problems, then hire an auditor and not a career politician.

Regan's war against drugs is non-existent today. Drugs are destroying our children, and marijuana brings dangerous cartels that grow and harvest within our national forest. These cartels clear-cut trees and contaminate water, which lead to life-long consequences and costly cleanup efforts at our expense.

I am the only candidate who opposed Proposition 64, which legalized marijuana in California. Our representation over the past ten years has fought for and written legislation for the protection of marijuana and continues to do so at the Federal level. I will not take money from the cannabis industry or Indian tribes for their special interests.

I firmly uphold conservative and Republican values. We are bestowed to protect our children, values and environment. With humility before God, I will strive at my highest capacity to serve and honor our great nation.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE LOS ESTADOS UNIDOS
4° DISTRITO**

JESSICA MORSE

EDAD: 36

Ocupación: Estratega de Seguridad Nacional

Educación y calificaciones: Soy Jessica Morse, una servidora pública devota y de la 5ª generación del norte de California, lista para ser la voz comunitaria que necesitamos en Washington.

Mis antepasados cruzaron la Sierra en la década de 1890, y mi familia todavía protege sus hermosos bosques. Una hija de maestros de escuelas públicas, crecí esquiendo en Tahoe, comiendo pastel en Apple Hill y yendo de mochilera por todo Yosemite.

Desde mi primer trabajo de limpieza en un asilo de ancianos hasta aconsejar a un almirante de cuatro estrellas en el Comando Pacífico de EE. UU., he dedicado mi vida al servicio. Durante el año y medio que pasé en Iraq, aprendí a afrontar los desafíos difíciles de frente; Nunca perdí el tiempo asignando culpa.

Esa es la actitud que traeré a Washington. Es hora de resolver los desafíos comunes que afectan a todos, independientemente del partido: la amenaza de incendios forestales y la sequía, la necesidad de atención médica de calidad y asequible, y las demandas de mejorar las carreteras y la banda ancha rural. Todos queremos que nuestros hijos estén seguros en sus escuelas, nuestros ancianos se jubilen con dignidad, y nuestro negocio estadounidense básico se restauró: si trabajas duro y haces tu parte, debes avanzar adelante.

Juntos, podemos devolver el servicio público a la política.

**STATEMENT OF CANDIDATE FOR
STATE ASSEMBLY
5TH DISTRICT**

FRANK BIGELOW

AGE: 64

Occupation: Rancher/Businessman/Assemblyman

Education and Qualifications: As your Assemblyman, it has been an honor to defend our way of life and protect taxpayers from Sacramento's out-of-control spending. I'm proud of the work we've done together, but the fight is far from over.

As a volunteer firefighter, I will continue to advocate for firefighters, ensuring they have the necessary tools to protect us from catastrophic wildfires. We must implement better forest management practices, and cleanup overgrown forests to prevent devastating wildfires. When government bureaucrats jeopardized funding for clean water projects, I reminded them our community voted to fund surface storage, and we cannot allow these projects to sit idle. I won't back down until we break ground on vital reservoir projects that will create jobs and help us deliver a clean and reliable water supply to our neighbors.

I was proud to help lead the fight against the \$52 million gas tax increase. We already give Sacramento too much of our money. Families and farmers in our region simply cannot afford higher taxes and vehicle registration fees.

With California's universities and colleges becoming more expensive and competitive, I will continue to be a strong voice for career technical education programs in our schools, to prepare our students for tomorrow's competitive and changing economy.

Lastly, with your support I will build upon my record of supporting economic policies that help create local jobs and build a stronger economy.

I would be humbled to continue serving as your voice in Sacramento and honored to have your vote.

**STATEMENT OF CANDIDATE FOR
COUNTY DISTRICT ATTORNEY**

TRISH KELLIHER

Occupation: Prosecutor

Education and Qualifications: I am Trish Kelliher and I want to be your District Attorney. For 20 years, I have demonstrated my commitment to justice and the people of El Dorado County, successfully prosecuting the toughest cases, including "no body" homicides and cold cases. In 2010, I was named California District Attorneys' Association Prosecutor of the Year for Rural Counties. I became a prosecutor to serve the public, and am running for DA, not as a self-serving politician, but as a member of this community committed to protecting those who call it home. We deserve a DA whose first priority is this community and who recognizes the impact of our work on people's lives. One of the most significant responsibilities of the DA is the recruitment and development of personnel. Under my leadership, the DA's Office, and the men and women who work here, have earned a reputation for excellence throughout the state. HELPFUL HINTS TO MAKE ELECTION DAY EASIER

TIPS FOR PRECINCT VOTERS:

Precinct officers are citizens like you. They sincerely want to make voting easy while protecting against voter fraud. Here are some ideas for you to make Election Day easier for all.

- Polling Place locations may change at each election. Your polling place is listed on your voter information card.
- If you are not planning on voting by mail, check to make sure you know where your polling place is located. If you are not sure how to find your polling place, check a map or call (530) 621-7480.
- Go to the polls prepared. Read and mark your sample ballot prior to Election Day and take it with you to refer to while you are in the voting booth. This is especially helpful with a lengthy ballot.
- If you are a first time voter, be prepared to show identification.

TIPS FOR VOTE BY MAIL VOTERS

With all the convenience of voting by mail, there is always the possibility of having problems with your ballot. Common problems with the vote by mail process include:

- Not signing the ballot envelope
- Signing the envelope with a scribble instead of your signature used when registering to vote
- Signing both yours and a family members envelope

These common problems can be largely avoided by remembering to take one quick look over the envelopes before mailing or dropping them off, to ensure they are all signed next to the red "X", and signed by the right person.

If you are concerned that your signature has changed, drop off your ballot in person and fill out a voter registration card at the same time, to ensure your most recent signature is on file.

PROVISIONAL VOTING AT THE POLLING PLACE

California has a provisional voting process to handle voters whose eligibility to vote cannot be determined at the polling place. The precinct officer will provide the voter a provisional ballot and written instructions regarding the process. After voting and securing the ballot in the provisional ballot envelope the voter will be handed the Voter Receipt from the back of the Provisional Envelope. After the election, the voter may use the receipt to call the El Dorado County Elections Office at (800) 730-4322 to find out whether their provisional ballot was counted, and if not, why.

Reasons for provisional voting:

- The voter's name is not listed on the Voter Roster List at the precinct.
- The voter has moved within the county but did not re-register to vote.
- The voter who's name is listed on the Voter Roster List as receiving an Absentee Ballot but, for whatever reason, is unable to surrender it.
- The Voter is listed on the Voter Roster List and is required to show proof of identification for being a First Time Federal Election Voter but is unable to show proof.

YOUR VOTE IS IMPORTANT! YOUR VOTE COUNTS! EXERCISE YOUR VOTE!

WHETHER YOU CAST YOUR VOTE AT THE POLLS OR BY MAIL, YOUR VOTE WILL BE COUNTED. You are invited to the Election Department office at 2850 Fairlane Court, Placerville, to view the entire election process. A large public viewing area is available to you on election day and night. You are also welcome to ask for a short tour of the election office at any time during working hours. Election officials are dedicated to ensuring that every vote counts and that all elections are transparent and secure.

EVERY VOTE COUNTS!
