It is the responsibility of the awarded bidder to ensure that all permits and/or licenses required for operation are valid and current. Failure to comply with this provision may be cause to cancel any contract awarded, and award will be made to the next lowest, responsive, responsible bidder.

**Business License:** It is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. **Compliance:** Late, incomplete, incorrect deliveries, or excessive back orders will be documented, and performance evaluated when considering contract continuation or extension. Inaccurate or erroneous billing will also be documented and monitored for the purpose of evaluating performance when considering continuation or extension of contract. Failure to meet quoted delivery time frames, or inaccurate or erroneous invoices (as determined by the Purchasing Agent) may be cause for the County to cancel the balance of the awarded purchase order contract and award will be made to the next lowest

bidder. Failure to receive County concurrence for substitutions or alternates will be documented and considered when evaluating continuation or extension of contract.

**Invoices and Payment Terms:** Invoices are to be mailed to the County department(s) specified on the resulting purchase order or contract. All invoices must include the purchase order number or contract number; County stock numbers when applicable; product description; and reference to back ordered items. Invoices must be exclusive of product other than bid items. Failure to comply may result in delayed payments.

The County will make payment on a Net forty-five day (45-day) basis unless a cash discount of one-half percent (1/2%) or greater, which amounts to \$2.50 or more, is allowed for payment within not less than twenty (20) days. The payment term shall begin on the date the merchandise is inspected, delivered and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. The beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term.

**El Dorado County Website Requirements:** It is the bidder's responsibility to monitor the County's website for possible addenda to this bid to inform him/herself of the most current specifications, terms, and conditions, and to submit his/her bid in accordance with the original bid requirements and all addenda. All available bids and related addenda can be found at:

<http://edcapps.edcgov.us/contracts/invite.asp>

Failure of bidder to obtain this information shall not relieve him/her of the requirements contained therein. Those bidders not acknowledging and returning addenda as required will not be considered and will be rejected as "non-responsive."

**Public Agency:** It is intended that other public agencies (i.e., city, special district, public authority, public agency and other political subdivisions of the State of California) shall have the option to participate in any agreement created as a result of this Invitation to Bid with the same terms and conditions specified therein, including pricing. The County shall incur no financial responsibility in connection with a purchase order from another public agency. The public agency shall accept sole responsibility for placing orders and making payment to the vendor.

**Addenda:** Addenda to this bid are valid only if in writing and issued by the Procurement & Contracts Division and are required to be acknowledged and returned by participating bidders in order for the bidder to be considered further in the evaluation process. Unless otherwise indicated, those bidders not acknowledging and returning Addenda as required will not be considered and will be rejected as "non-responsive."

**Non-Collusion:** The bidder certifies that this bid response is made without any previous understanding, agreement or connection with any person, firm or corporation making a bid for the same project, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

**(The remainder of this page intentionally left blank.)**

**Evaluation:** Bids will be evaluated based on meeting or exceeding minimum specifications. Bids submitted on the basis of "All or Nothing" may be rejected. Bid evaluation shall include applicable prompt payment terms discount. If payment cannot be made within the discount period, payment terms shall revert to Net forty-five (45) days.

**Award:** The bid may be recommended by grand total to the lowest responsible and responsive bidder complying with the provisions of the Invitation to Bid. In determining whether a bid is lowest and responsive, and the bidder is responsible, the following may be considered by the County: (a) Ability to perform the service required within the specified time; (b) Reputation, judgment and experience; (c) The quality of performance in previous contracts; (d) Previous compliance with laws as well as employment practices; (e) Financial ability to perform the contract; (f) The quality, availability and adaptability of the supplies or the contractual services to the particular use required; (g) Ability to provide maintenance and service; (h) Whether the bidder is in arrears to the County, in debt on contract, is a defaulter on surety to the County or whether the bidder's taxes or assessments are delinquent; (i) The resale value and life cycle costs of the items; and (j) Such other information as identified in the Purchasing Ordinance having bearing on the decision to make the award. The decision of the County Board of Supervisors shall be final in determining the successful bidder.

- 1. Taxes:** County is exempt from payment of Federal Excise Tax; Federal tax should not be included in any prices contained herein.
- 2. Alterations:** No alteration in any of the terms, conditions, delivery, price, quantities, specifications or services of this contract will be effective without prior consent of the County.
- 3. Failure to Deliver:** Time is of the essence and the contract is subject to cancellation for failure to deliver on time. If Vendor fails to deliver an article or service of the quality or quantity, in the manner or within the time called for by this contract: such article or service may be bought from any source by County. If a greater price than named in this contract is paid for such article or service, the excess cost will be charged to and collected from Vendor or sureties on its bond if bond had been required; or, the County may terminate the contract for default; or, the County may return deliveries already made and receive a refund. For any exception to the delivery date as specified on this contract, the Vendor shall give prior notification and obtain approval thereto from the County. Failure or refusal of Vendor to perform any work or service or do any act required under this contract shall constitute a default.
- 4. Force Majeure:** Vendor shall not be liable for any delay or failure to deliver any or all the goods or services if that delay or failure is caused by labor disputes, strikes, war, riots, insurrection, civil commotion, fire, flood, accident, storm or any act of God. The County shall not be liable for failure to take delivery of the goods attributable to any of the causes specified in this paragraph if they render it commercially impractical for the County to receive the goods. This section shall supersede any language in the Vendor's terms and conditions attempting to nullify County terms and conditions or to resolve language conflicts in favor of the Vendor's terms and conditions.
- 6. Warranty:**
  - 6.1 Warranty For Goods:** Vendor warrants that any and all goods covered by this contract will be (i) new and suitable for the use intended, unless otherwise specified; (ii) will conform to the drawings, specifications, samples, description and time provisions furnished by the County; (iii) of the grade and quality specified; (iv) free from defect in design, material and workmanship; and (v) in compliance with all applicable federal, state and local laws and regulations. At County's option, Vendor shall repair or replace the goods without charge within five (5) business days from being notified of the nonconformance with the foregoing warranties. If, after notice, the Vendor cannot promptly replace or repair the goods, Vendor shall refund the full purchase price paid by County for such goods. Defective goods rejected by the County may, without prejudice to any other legal remedy (including, without limitation, incidental and consequential damages) be held at Vendor's risk and returned to Vendor at Vendor's expense. This warranty shall not be deemed to be waived by the County for any reason, including, without limitation, the County's acceptance of the goods or the County's failure to notify Vendor thereof. Further, the failure of the County to reasonably specify any defects in rejected goods shall not prevent the County from relying on the defect to establish a breach, even though the Vendor could have cured the defect on proper notification.
  - 6.2 Warranty for Services:** Vendor warrants to County that any and all materials and equipment incidental to services that are furnished under this contract will be new unless otherwise specified and that all services will be of good quality, free from faults and defects and in conformance with the contract. Neither final payment nor inspection of Vendor's services shall constitute an acceptance of services not done in accordance with this contract or relieve Vendor of liability in respect to any express warranties or responsibilities for faulty material or workmanship. Upon request of County, Vendor shall immediately remedy any defects in the services, materials and/or equipment and pay for any damage resulting therefrom. The County shall have the unqualified option to make any needed replacement or repairs itself or to have such replacement or repairs done by the Vendor. In the event the County elects to have said work performed by the Vendor, the Vendor agrees that the repairs shall be made and such materials as are necessary shall be furnished and installed within a reasonable time after the receipt of demand from the County; however, in no event shall such period exceed fifteen (15) calendar days. If the Vendor shall fail or refuse to comply with its obligations under this section, the County shall be entitled to all costs and expenses, including attorney's fees, reasonably incurred by reason of the said failure or refusal.
- 7. Termination:** At any time and without cause, the County shall have the right, at its sole discretion, to terminate this contract by giving seven (7) calendar days written notice to Vendor. In the event of such termination, Vendor shall only be entitled to payment for those goods that have been delivered and accepted by the County or services satisfactorily rendered through the date of termination.
- 8. Invoice:** Purchase Order number must appear on all invoices, packing lists, shipping notices, and any correspondence. Invoices must be fully itemized. A separate invoice shall be provided for each Purchase Order.
- 9. Payment Terms & Cash Discounts:** Payments shall be made at the prices stipulated herein for goods or materials delivered or services rendered. Payment on partial deliveries or services may be made when requested by the Vendor and approved by the County. Payment shall be made within forty-five (45) days following County's receipt of itemized invoices. For any cash discount specified in this contract, time will be computed from the date of the completed delivery of the goods or the completion of the performance of services as specified, or from the date that correct invoices are received, whichever is later. For the purpose of earning the discount, payment shall be deemed to have been made on the date of mailing the County warrant or check.
- 10. Assignment:** This contract may not be assigned in whole or in part without the prior written consent of the County.
- 11. Independent Capacity:** In the performance of this contract, agents and employees of the Vendor shall act in an independent capacity and not as officers, employees or agents of the County.
- 12. Indemnity:** The Vendor shall defend, indemnify and hold the County harmless against and from any and all claims, suits, losses, damages and liability for damages of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees and the public, or damages to property or any economic or consequential losses, which are claimed to or in any way arise out of, or connected with the Vendor's services, operations or performance hereunder, regardless of the existence or degree of fault or negligence on the part of the County, the Vendor and employee(s) or any of these, except for the sole or active negligence of the County, its officers and employees, or as expressly proscribed by statute. This duty of Vendor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

**13. Nondiscrimination:** Vendor shall comply with all applicable federal, state and local laws, rules and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this contract are incorporated by this reference.

**14. Infringement:** The Vendor agrees to defend and hold the County, its officers, agents, employees, and volunteers harmless from any and all actions, suits, liabilities, penalties, settlements, losses, damages, costs, charges, attorney's fees, and all other expenses which may arise directly or indirectly from any claim that any of the products or services supplied by Vendor infringes any patent, copyright, trade secret, trademark, or other intellectual property right.

**15. Applicable Law and Forum:** This contract shall be construed and interpreted according to the substantive law of the State of California excluding the law of conflicts. Any action arising out of this contract shall be brought in El Dorado County, California and shall be resolved in accordance with the laws of the state of California.

**16. Funding:** Funds for this Contract are available on a fiscal year basis. Should sufficient funds not be budgeted and appropriated for the payment of goods or services described herein, this contract shall be cancelled in its entirety without penalty or expense to the County of any kind, except for payment for those goods that have been delivered and accepted by the County or services satisfactorily rendered through the date of termination.

**17. Business License:** It is unlawful for any person to furnish supplies or services or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. Contact Tax Collector's Office, 360 Fair Lane, Placerville, CA 95667, telephone (530) 621-5800, for further information.

**18. Inspection, Acceptance, and Returns:** Goods or services shall be subject to County inspection, approval, and acceptance notwithstanding any prior payment for such goods or services. No goods shall be deemed accepted until County has reasonable opportunity to inspect said goods or services. If rejected as nonconforming or defective, County reserves the right to return product within thirty (30) days of receipt by the County for credit or refund without a shipping or restocking fee, or to request a replacement by a specified date. Substitutions are not permitted except upon specific written authorization of County. Defective product or product under warranty may not always be returned in the original package.

**19. Permits, Licenses, and other Requirements:** Vendor shall comply with all applicable federal, state, and other laws, rules, regulations, ordinances and orders in the performance of this contract. Vendor shall be in full compliance with all permit or licensing requirements in connection with the sale, shipment, and/or installation of the goods or performance of the services herein.

**20. Insurance:** When specified herein and/or when specified by bid or quote documents that are incorporated herein by reference, failure to maintain the required insurance coverage shall be deemed a material breach of this contract.

**21. Severability:** If any provision of this contract is declared by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions will continue in full force and effect, without being impaired or invalidated in any way.

Thank you for your inquiry. Recent US govt tariffs on certain imports are causing price increases for many IT products, with little or no notice, and beyond ePlus' control. As a result, this quote is subject to change without notice, even before the expiration date reflected above. Please confirm pricing prior to order placement.
