

**Recognition by the Board of Supervisors
of the County of El Dorado
With Appreciation to Bill and Helen Carey
Forester Restaurant, Camino CA**

- Since 2008, the Camino Community Action Committee (CCAC) has sponsored Server Nights at the Forester Restaurant in Camino. In those years, over \$21,500 has been raised.
- “Camino Serves” events would not be possible without the generous cooperation and support of Helen and Bill Carey, the owners of the Forester.
- Community volunteers become the servers for the evening. All tips, which are always very generous, are donated to the “Need of the Night”.
- Helen and Bill Carey support these events with good humor and eternal patience with the amateur servers. They always help make the events fun and successful.
- The Server Night needs benefit many causes: a local resident with health issues and expenses, the Camino School Garden, or our Camino Gives Christmas project.
- In addition, the Forester can be counted on to donate gift certificates for CCAC fundraisers and they host a Camino Gives Christmas tree decorated with gift requests during the holiday season.
- The Forester also hosts the monthly Rotary meetings and CCAC board meetings and has allowed local fundraisers to use their parking lot.
- With all of these actions in support of Camino residents, it is altogether fitting to publicly recognize Helen and Bill Carey for their invaluable contribution to our community. Presented at a regular meeting of the El Dorado County Board of Supervisors held on December 9, 2014.
