Additional Information

I am a proud life long El Dorado County resident. I enlisted in the US Army after graduating El Dorado High School in 1997 and have been a public servant through out my entire adult life. I honorably completed my contract with the US Army, January 2006, and was fortunate enough to be hired by EDSO from which I medically retired April 2025. In addition to my life as a public servant I'm also a proud husband, father, and continue to try to find ways to serve.
