I, Gloyd D Zeller, support the approval decision of the Planning for the Diamond Springs Village Apartments. Roger Trout and his department is to be commended for their efforts to make sure this planned development complied with our general plan, zoning and other requirements.

Since moving to the Diamond Springs area in 1964, I have always supported "sensible growth". Efforts by the Sue Taylor group would only stop the housing and needed development of El Dorado County. So please DO NOT approve this appeal.

Sincerely,  
Gloyd D Zeller
