Date: August 9, 2024

To: El Dorado County Agricultural Commission

From: LeeAnne Mila; Agricultural Commissioner

Subject: Review Grazing Lands General Plan Policy for the Following Project Proposals:

A)Lime Rock Valley Specific Plan - Agricultural Review Request

Assessor's Parcel Numbers: 109-010-013, 109-010-014, 109-020-001, 109-020-004,
109-020-005, 109-020-006, 119-030-013

B)Marble Valley Specific Plan - Agricultural Review Request

Assessor's Parcel Numbers: 087-200-74; 119-020-56 and -57; 119-030-13 through -
19; and 119-330-01

Planning Request and Project Description:

Two Specific Plan proposals (A) and (B) are planned for Board of Supervisor decision, following Planning Commission recommendation. Specific Plan requests necessarily include a General Plan Amendment and Rezone requests. Both of the following projects also have Development Agreement requests for the County to negotiate desired terms outside of regulatory requirements and Planned Development overlay requests to enable site development flexibility. The parcels are located approximately 2 miles due south of the U.S. Highway 50/Cameron Park Drive Interchange in the Shingle Springs area, Supervisorial District 2.

A) Lime Rock Valley Specific Plan proposal

Planning staff requests Agricultural Commission review for the proposed Specific Plan (SP12-0003) to establish Lime Rock Valley Specific Plan (LRVSP), which proposes 800 residential units on 358 acres, an 8-acre village park, and 335 acres of open space.

General Plan Policy 8.1.2.2 (Grazing Lands) within the Agricultural and Forestry Element regulates the creation of lots under 40 acres for properties with historical grazing. Portions of the site have been historically used for grazing. Planning staff requests discussion and recommendation regarding whether these proposed

Specific Plan parcels would continue to be considered suitable and practical for grazing.

-All project parcels (APN 109-010-013, 109-010-014, 109-020-001, 109-020-004, 109-020-005, 109-020-006, and 119-030-013) are zoned Rural Lands, Ten-acres (RL-10), Rural Lands, Twenty-acres (RL-20), Rural Lands, Forty acres (RL-40), or Open Space (OS) with a General Plan Land Use Designation of Rural Residential (RR) and Open Space (OS).

-The largest subject parcel, APN 109-020-001, measures approximately 391.47 acres and contains a Grazing Land farmland overlay of on roughly half the parcel on its eastern and northern portions. This parcel is surrounded by existing residential development to the north, east, and partially along the southern boundary of this parcel.

- Other subject parcels, including APN 109-020-005, 109-010-013, and 109-010-014, approximately or possibly less than 40 acres each, contain Grazing Land farmland overlay of less than 5 acres in size on the northeast or southwest corners of the parcels.

-The property is adjacent to Residential, Agricultural/Rural/Resource, and Special Purpose zoning: Residential Estates, Five-acres (RE-5) and Planned Agricultural, Ten-acres (PA-10) to the north (APNs 109-090-005, 06, 10, & 11 contain PA zoning); RE-5 to the east; RL-10 to the west (APNs 109-010-103 & 14); RE-5, RL-40, and OS to the south (APN 109-020-004 contains OS zoning, APN 109-020-005 contains RL-40 zoning). The adjacent parcels are designated as Grazing Land, Other Land, and Farmland of Local Importance.

Discussion:

1.)Grazing Policy

Policy 8.1.2.2 Some lands within Rural Regions have historically been used for commercial grazing of livestock and are currently capable of sustaining commercial grazing of livestock. If they can be demonstrated to be suitable land for grazing, and if they were not assigned urban or other nonagricultural uses in the Land Use Map for the 1996 General Plan, those lands shall be protected with a minimum of 40 acres unless such lands already have smaller parcels or the Board of Supervisors determines that economic, social, or other considerations justify the creation of smaller parcels for development or other nonagricultural uses. Where 40-acre minimum parcel sizes are maintained, planned developments may be considered which are consistent with the underlying land use designation. Before taking any actions to create parcels of less than 40 acres in areas subject to this policy, the Board of Supervisors and/or Planning El

Dorado County General Plan Agriculture and Forestry Element July 2004 (Amended December 2015) Page 171 Commission shall solicit and consider input from the Agricultural Commission;

The land use designation for these parcels is RR- rural residential. At this designation the grazing policy would apply. APN 109-020-001 contains the majority of this historical grazing land and could potentially be capable of sustaining commercial grazing. The historical grazing covered on this parcel by the Land Use Map of 1996 is approximately 215 acres.

As such this parcel requires a recommendation from the Agricultural Commission before any parcels are created smaller than 40 acres.

2.) Development Entitlements

Policy 8.1.4.1 The County Agricultural Commission shall review all discretionary development applications and the location of proposed public facilities involving land zoned for or designated agriculture, or lands adjacent to such lands, and shall make recommendations to the reviewing authority. Before granting approval, a determination shall be made by the approving authority that the proposed use:

- A. Will not intensify existing conflicts or add new conflicts between adjacent residential areas and agricultural activities; and
- B. Will not create an island effect wherein agricultural lands located between the project site and other non-agricultural lands will be negatively affected; and
- C. Will not significantly reduce or destroy the buffering effect of existing large parcel sizes adjacent to agricultural lands

APN: 109-090-006 borders the proposed development on APN: 109-020-001 on the north east border. The parcel is zoned PA20 – Planned Agriculture 20 acres and is 20 acres in size. The residential development is going to be at the property line with the PA zoned parcel. Due to this there could be a potential to add new conflicts between residential and agricultural activities.

B) Village of Marble Valley Specific Plan proposal

Planning staff requests Agricultural Commission review for the proposed Specific Plan (SP12-0003) to establish the Village of Marble Valley Specific Plan (VMVSP), which proposes 3,236 residential units, 475,000 square feet of commercial use, 55 acres of agricultural use, 1,284 acres of open space (including 466 acres of open space for a passive, day-use park or private open space), and 87 acres of public facilities/ recreational use (including 47 acres of public parkland) on 2,341 acres.

General Plan Policy 8.1.3.2 (Protection of Agricultural Lands) regulates setbacks from agricultural zoned lands. Planning staff requests discussion and recommendation regarding adjacency to surrounding agricultural zoned lands.

-The Land Use Map for the 1996 General Plan shows sites included with this proposal designated Low-Density Residential (LDR), which is considered a designation for non-agricultural uses.

The land use designation for these parcels is LDR – low density residential. At this designation the grazing policy would not apply. It should be noted that these parcels have historically been used for grazing and currently could sustain commercial grazing.

2.) Development Entitlements

Policy 8.1.4.1 The County Agricultural Commission shall review all discretionary development applications and the location of proposed public facilities involving land zoned for or designated agriculture, or lands adjacent to such lands, and shall make recommendations to the reviewing authority. Before granting approval, a determination shall be made by the approving authority that the proposed use:

B. Will not create an island effect wherein agricultural lands located between the project site and other non-agricultural lands will be negatively affected; and

C. Will not significantly reduce or destroy the buffering effect of existing large parcel sizes adjacent to agricultural lands

APN: 087-270-006 and APN: 087-270-001 border the proposed development on the south east boundary. The proposed development would place approximately 200+ acres of open space next to the above referenced parcels. The open space will minimize any conflicts.

MEETING NOTIFICATION

The El Dorado County Agricultural Commission has been requested to review a project application for the project that is located in the proximity of your property. It is the customary business practice for this Commission to notify all parcels located within 1,000 feet of the subject parcel's boundary lines. Please note that the requested project may or may not affect your property.

The project listed below will be heard by the El Dorado County Agricultural Commission on **August 14, 2024**. This meeting is a public hearing that will begin at **4:00 pm** in the **Building A Board of Supervisors Hearing Room 330 Fair Lane, Placerville, California**. This will also be a Zoom meeting. The link information to join the zoom meeting will be available on the county Legistar calendar at this website: <https://eldorado.legistar.com/Calendar.aspx> under Ag Commission Meetings for 8/14/24 and will be posted with the Agenda on August 9, 2024.

-The Land Use Map for the 1996 General Plan shows sites included with this proposal designated Low-Density Residential (LDR), which is considered a designation for non-agricultural uses.

The Agricultural Commission is an advisory body to and for the Board of Supervisors and Planning Commission on all matters pertaining to agriculture. The Agricultural Commission reviews and makes recommendations only on the agricultural element of the project. **Please note that the exception to this is a "Request for Administrative Relief from an Agricultural Setback" which is processed solely through the El Dorado County Department of Agriculture with the Agricultural Commission's decision being able to be appealed to the El Dorado County Board of Supervisors.

All interested parties for the above-mentioned project are encouraged to attend this meeting. Public testimony will be received on each agenda item as it is called. Individual comments are limited to 3 minutes; and individuals representing a group are allocated 5 minutes.

If you wish to view the meeting agenda in its entirety, please go to following website: <https://eldorado.legistar.com/Calendar.aspx>. The agenda is also posted in the lobby of the Bethell-Delfino Agriculture Building located at 311 Fair Lane, Placerville, California. A copy of the project's submitted documents may also be reviewed at this location.

If you have any questions regarding this meeting, please contact the Clerk to the Agricultural Commission at (530) 621-6647. All questions relating to specific details of the project should be addressed to the Planner, Cameron Welch Senior Planner, Planning Services, (530) 621-5355. This notice was sent to you on 8/5/2024.
