Re: Request to Extend Comment Period – Additional 120 Days
Draft Environmental Impact Report for Revised Mather Airport Master Plan

Dear Ms. Hack:

The County of El Dorado Board of Supervisors respectfully requests that the County of Sacramento extend the comment period on the Draft Environmental Impact Report (EIR) on the revised Mather Airport Master Plan by an additional 120 days beyond the April 8, 2014, deadline to submit comments.

An additional 120 days will afford the residents, businesses and government agencies throughout the Sacramento Region an opportunity to fully analyze the Draft EIR and submit comments that accurately identify the potential impacts of the proposed expansion and development of Mather Airport.

The County of El Dorado looks forward to working cooperatively with the County of Sacramento during this process. Should you have any questions, please contact Roger Trout, County of El Dorado, Development Services Division Director, at (530) 621-5369 or roger.trout@edcgov.us.

Sincerely,

Norma Santiago
