Shiva Frentzen
Supervisor, District 2
El Dorado County
330 Fair Lane
Placerville, CA 95667

Dear Supervisor Frentzen,

The Cameron Park Community Services District (CPCSD) is requesting permission to conduct a public fireworks display on Saturday, June 30, 2018, at Cameron Park Lake. This display will be part of the seventeenth annual Summer Spectacular and will be put on this year by J&M Displays West. The display will essentially be the same size and scope as those of the previous years.

CAL FIRE and the Cameron Park Fire Department Fire Marshal have reviewed and approved the permit application to ensure that this public fireworks display conforms to all current California State Fire Marshal regulations. Issues related to public safety, traffic, parking, security, and radio communications have been addressed in the same manner as previous years.

The CPCSD has received permission from the Cameron Park Airport District to use the roadways and taxiways inside the airpark for vehicle parking. We will be in contact with the El Dorado County Sheriff's Office and will be hiring deputies for patrol during the event as has been done in the past. We will also coordinate with County DOT regarding the establishment of a no parking fire lane along a one-half mile section of Cambridge Road and three side streets to ensure emergency vehicle access around the Cameron Park Lake area. We are in contact with the California Highway Patrol to coordinate efforts to manage traffic congestion in the general viewing area around Cameron Park Lake. We intend to once again coordinate with adjoining fire districts to ensure that fire department emergency response personnel are staged at strategic locations both inside and outside of the fireworks venue.
